**ORDER AMENDING LOCAL BANKRUPTCY RULE 1007-2**

Local Bankruptcy Rule 1007-2 specifies that when the Internal Revenue Service is listed as a creditor, the matrix shall include the address of the Special Procedures Branch of the Internal Revenue Service located at Detroit, Michigan. The Court has been advised that the Special Procedures unit no longer exists and the Internal Revenue Service has provided a new address for bankruptcy notices. Accordingly,

IT IS ORDERED that L.B.R. 1007-2 (E.D.M.) is amended to state “When the Internal Revenue Service is listed as a creditor, the matrix shall include the address of the SBSE/Insolvency Unit of the Internal Revenue Service located at Box 330500-Stop 15, Detroit, Michigan, 48232.” All other requirements of L.B.R. 1007-2 (E.D.M.) Shall remain in effect.

This order is effective immediately.
