

NOTICE

The United States Bankruptcy Court for the Eastern District of Michigan is currently using a digital audio recording system to record court hearings. The product name is FTR Player Plus.

Any party requesting an audio copy of court proceedings will need the following equipment.

A CD DISK IS REQUESTED

Requirements for listening to the audio recording on CD:

- 166MHz Intel® Pentium® processor
- 48 Mb RAM
- Microsoft® Windows® 95/98/2000 or NT 4.0 (SP4 or better)
- Windows compatible stereo sound card
- 256-color, 800x600 display adapter and monitor

The audio player required for listening to the CD is available FREE by downloading from the web site www.ftrgold.com.

When making a request for an audio recording of any court hearing, complete a transcript request form available from the intake department. Please specify on line 16 if you are requesting a written transcript or an audio recording on CD

The fee for a written transcript is determined by the transcriber.
