

NOTICE FROM THE UNITED STATES TRUSTEE
REGARDING THE RESCHEDULING OF SECTION
341 MEETINGS IN THE EASTERN DISTRICT OF MICHIGAN

On March 12, 2020 the United States Bankruptcy Court for the Eastern District of Michigan issued a Notice restricting access to the courthouse based on the Centers for Disease Control and Prevention (CDC) having advised people to take precautions in light of the COVID-19 outbreak. Consistent with the Notice and per direction from the United States Trustee, chapter 7, 12, and 13 trustees will accommodate debtors' reasonable requests for continuances of section 341 meetings that are related to the COVID-19 outbreak. *See* <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>.

Unless otherwise provided by the trustee, debtors who seek a continuance must file the required rescheduling notice with the court, provide notice to creditors, and stipulate to the extension of related deadlines.

Debtors also may seek other alternative meeting arrangements by contacting the trustee.
