Orr was appointed “emergency financial manager” for the City by the Local Emergency Financial Assistance Loan Board created under the Emergency Municipal Loan Act, MCL §§ 141.931-141.942, on March 15, 2013, pursuant to Public Act 72 of 1990 of the State of Michigan, also known as the Local Government Fiscal Responsibility Act, MCL §§ 141.1201-141.1291

2. On July 16, 2013, the Emergency Manager sent a letter to the Governor of Michigan (the “Governor”), recommending that the City file for protection under chapter 9 of title 11 of the United States Code (the “Bankruptcy Code”) pursuant to Section 18(1) of PA 436.

3. On July 18, 2013, the Governor sent a reply letter to the Emergency Manager stating that he authorized the City to commence a case under chapter 9 of the Bankruptcy Code.

17. The Detroit Institute of Arts (the “Museum”) is a museum operated and managed by the DIA Corp.

19. The DIA Corp. was founded as the Detroit Museum of Art (“DMA”) in 1885.

20. In 1997, the City and the DIA Corp. (at the time, known as the Founders Society Detroit Institute of Arts) entered into a twenty-year operating agreement.

21. The 1997 operating agreement is still in effect.

22. The remedy available to COP holders “is the same remedy that the Retirement Systems would have against the City if it failed to make its required annual payment to fund UAAL under the tradition funding mechanism.” (Offering Circular for Taxable COPs Series 2006 at 10.)

23. The City of Detroit has never had a county or state equalization factor other than 1.00.

24. City of Detroit employees belong to 28 unions and 47 bargaining units. These numbers do not include employees of the Detroit Library Commission, a separate municipal corporation under Michigan law.

25. Gabriel Roeder Smith has served as system actuary for the PFRS and GRS for over 70 years.

26. Gabriel Roeder Smith listed the UAAL for the PFRS as \$415,605,320 in its annual actuarial report for the period ending June 30, 2013.

27. Gabriel Roeder Smith listed the UAAL for the GRS as \$1,084,210,716 in its annual actuarial report for the period ending June 30, 2013.

28. In 2012, the City and the State negotiated a "Financial Stability Agreement" in an effort to achieve financial stability for the City and a stable platform for the City's future growth.

29. Unforeseen events and circumstances may occur affecting the City's future financial performance, resulting in those assumptions proving inaccurate and the City being unable to fulfill its obligations under the Plan. No guarantee can be made as to the City's future financial performance due to a variety of unforeseeable circumstances that may affect such performance.

30. In September 2013, President Obama's administration announced a planned investment of \$300 million in public and private aid to the City.

31. The Michigan State Housing Development Authority has allocated \$52 million to the City.

32. The City raised the corporate tax rate from 1% to 2% in 2012.

33. The City received statutory authority to raise the income tax rate in 2008 and 2009 to 3% on residents, 2% on corporations, and 1.5% percent on nonresidents working in the City.

34. When a creditor obtains a judgment against the City, the City can increase property taxes above statutory limits in order to pay the judgment pursuant to the Revised Judicature Act (Mich. Comp. Laws. 600.6093).

35. Judgments enforced under the Revised Judicature Act are enforced *pari passu* with one another.

36. The City has paid judgments in the past by increasing property taxes.

37. The City has exceeded statutory limits on property taxes to pay judgments in the past.

38. The City Income Tax Act (Act 284 of 1964) authorizes the State to collect municipal income taxes on behalf of the City.

39. The City has an agreement in principle with the State to “piggyback” tax collections.

40. A study by McKinsey found that the City failed to collect \$155 million in income taxes in 2009.

41. The Detroit Water and Sewerage Department (“DWSD”) is a public service monopoly that provides the water supply and wastewater control and treatment services for the entire city of Detroit and neighboring southeastern Michigan communities throughout Wayne, Oakland, Macomb, St. Clair, Lapeer, Genesee, Washtenaw and Monroe counties. The 1,079-square-mile water service area, which includes Detroit and 127 suburban communities, makes up approximately 40 percent of the state's population. Wastewater service is also provided to a 946-square-mile area that encompasses Detroit and 76 neighboring communities.

42. DWSD is a department of the City. DWSD is also an Enterprise Fund of the City (consisting of two separate and discrete funds, the Water Supply system Fund and the Sewage Disposal System Fund).

43. DWSD is one of the largest municipal water and sewerage departments in the nation.

44. DWSD provides water service to approximately four million people in the City and surrounding southeast Michigan communities.<sup>4</sup>

---

<sup>4</sup> The factual statement in this paragraph is taken from *United States v. City of Detroit*, 2013 WL 1282021, \*3 (E.D. Mich. Mar. 27, 2013).

45. By Michigan statute, DWSD is a not-for-profit entity. Water and sewer rates are based on cost of service.

46. Section 123.141(2) of the Michigan Compiled Laws provides that the price charged by a city that contracts to sell water outside of its territorial limits “shall be at a rate which is based on the actual cost of service determined under the utility basis of ratemaking.”

47. Section 7-1203 of the Charter of the City of Detroit provides that “[a]ll moneys paid into the city treasury from fees collected for water, drainage or sewerage services shall be used exclusively for the payment of expenses incurred in the provision of these services....”

48. Oakland County is a party to several contracts with the City pursuant to which the City, through DWSD, provides water and sewer services for and on behalf of, Oakland County.

49. Macomb is a party to the Wastewater Disposal Services Contract dated as of September 30, 2009, between Macomb and Oakland Macomb Interceptor (“OMI”). OMI, in turn, is a party to the Wastewater Disposal Services Contract (the “OMI-Detroit Agreement”), dated October 22, 2009, between OMI and the City, by its Board of Water Commissioners. The OMI-Detroit Agreement provides that: (i) “Oakland and Macomb County ... shall have the status and rights of Tier 1 Customers, including but not limited to participation on the Sewer

Steering Committee and all of its subcommittees and work groups,” and (ii) “Oakland County and Macomb County are intended third party beneficiaries of this Contract.”

50. On May 6, 1977, the United States Environmental Protection Agency (“EPA”) initiated suit against the City and the DWSD, alleging violations of the Clean Water Act, 33 U.S.C. § 1251 *et seq.* The violations alleged in that case, which were undisputed, involved DWSD’s wastewater treatment plan and its National Pollutant Discharge Elimination System permit.<sup>5</sup> The commencement of this lawsuit began a 36 year period of federal oversight of the DWSD.

51. The 1977 case, styled *United States v. City of Detroit*, (the “Oversight Litigation”) was originally assigned to the Honorable John Feikens. On September 14, 1977, Judge Feikens entered a Consent Judgment in the Oversight Litigation, establishing a compliance schedule for DWSD to address and correct the Clean Water Act violations.<sup>6</sup>

<sup>6</sup> The factual statements in this paragraph are taken from *United States v. City of Detroit*, 2013 WL 1282021, \*1, 3 (E.D. Mich. 2013).

52. Judge Feikens retained jurisdiction in the Oversight Litigation until his retirement in 2010; shortly thereafter the case was transferred to the Honorable Sean Cox.<sup>7</sup>

53. Between 1977 and 2010, DWSD repeatedly fell out of compliance with the requirements of the 1977 Consent Judgment, and amendments thereto.<sup>8</sup>

54. DWSD's long history of failing to comply with requirements of the Clean Water Act is well documented, most comprehensively in the myriad of compliance orders issued by Judge Cox in the Oversight Litigation.

55. Judge Cox noted in his September 9, 2011 Opinion and Order in *United States v. City of Detroit*:

For the more than 34 years during which this action has been pending, the City and the DWSD have remained in a recurring cycle wherein the DWSD is cited for serious violations of its NPDES permit, the City and the DWSD agree to a detailed remedial plan aimed at compliance, but the DWSD is unable to follow the plan and is again cited for the same or similar violations. Although this Court has taken various measures, designed to eliminate the various impediments to compliance that have been identified by experts and acknowledged by the City, those measures have proven inadequate to achieve sustained compliance.<sup>9</sup>

<sup>8</sup> The factual statements in this paragraph are taken from *United States v. City of Detroit*, 2013 WL 1282021, \*3-6 (E.D. Mich. 2013).

<sup>9</sup> The factual statements in this paragraph are taken from *United States v. City of Detroit*, 2012 WL 4757935, \*3 (E.D. Mich. 2013).

56. In 2011 and 2012, the District Court entered orders in *United States v. City of Detroit*, E.D. Mich. Case No. 77-7110, concerning the governance of the DWSD. Those orders were incorporated into the DWSD's by-laws.

57. Pursuant to the DWSD governance orders, among other things: (1) the Board of Water Commissioners, made up of four residents of Detroit, and one resident from each of the Counties, has sole authority for setting and approving wholesale water and sewerage rates, (2) the Director, upon authorization by the Board, has final authority to approve, among other things, the DWSD budget subject to the approval of rates by the Board, and (3) Board approval must be sought for procurements that exceed specified monetary thresholds. See By-Laws for the Detroit Water and Sewerage Department Board of Water Commissioners, Article XVIII.

58. A governance order entered by the District Court on September 9, 2011 provided for the establishment of a court-ordered "Root Cause Committee" to devise and propose a workable plan to address and remedy the underlying root causes of the DWSD's inability to comply with its NPDES permit and the Clean Water Act.

59. The Root Cause Committee developed a plan of action, which was approved by the District Court in a November 4, 2011 order. The Root Cause Committee also developed a plan of clarification, which was approved and adopted

by the District Court in a December 14, 2012 order. The DWSD submitted a Final Director's Report of Compliance on March 15, 2013.

60. Citing the DWSD's operational and compliance progress, on March 27, 2013, the District Court issued an Order closing the Oversight Litigation. DWSD now operates under NPDES Permit No. MI0022802 issued March 1, 2013 (the "Permit") and Administrative Consent Order No. ACO-00131 between DWSD and the Michigan Department of Environmental Quality, Water Resources Division, dated July 8, 2011, entered in the Oversight Litigation (the "ACO"). Both the Permit and the ACO contain operating, compliance, monitoring and implementation provisions and deadlines, all of which are designed to bring DWSD into compliance with state and federal law.<sup>10</sup>

61. The repayment of the City's "equity" in the system was determined as a matter of fact as part of a Special Master Report commissioned by Judge Feikens in the District Court Case. *See Report and Recommendations of the Masters*, at 74-78, *United States v. City of Detroit*, Case No. 77-71100 [Dkt. 2376-2].

62. On December 15, 2010, the United States filed a First Superseding Criminal Indictment against former Detroit Mayor Kwame Kilpatrick ("Mr. Kilpatrick"); Bobby W. Ferguson, a close friend of Mr. Kilpatrick; Bernard

<sup>10</sup> The factual statements in this paragraph are taken from the City's *Motion to use Cash Collateral or to Obtain Credit* (filed August 11, 2014)[ Dkt. 6644] at 18-19, ¶¶ 23-24.

Kilpatrick, Mr. Kilpatrick's father; Victor M. Mercado, the former head of the DWSD; and several other persons, in *United States of America v. Kilpatrick, et al.*, Case No. 10-20403 (E. D. Mich.). The indictment alleged criminal conduct by Mr. Kilpatrick and his associates in relation to a number of City projects, including that they engaged in a widespread scheme that resulted in overcharges to DWSD for time, labor and materials on certain DWSD projects undertaken between 2000-2009, including the DWSD project for the repair of the Macomb interceptor sewer at 15 Mile Road.

63. After a lengthy jury trial, Kwame Kilpatrick, Mr. Ferguson and Bernard Kilpatrick, were found guilty on various criminal charges.

64. Shortly after beginning his term on March 25, 2013, Kevyn Orr, the City's Emergency Manager, asked his advisors to look into opportunities whereby the City could generate value from the City's assets, including, without limitation, the DWSD's assets.

65. Beginning in mid-to-late 2013, the City and the Counties discussed the creation of a Regional Authority to take over water and sewer service from the DWSD.

66. In January 2014, the City proposed to the Counties a memorandum of understanding (the "MOU") that included a \$47 million annual base lease payment from the Regional Authority to the City, and (2) the

assumption of the DWSD pension liabilities by the Regional Authority.

Agreement was not reached as to, among other things, the amount of the lease payment and the Counties did not sign the MOU.

67. On or about March 25, 2014, the City distributed a Request for Information to potential private operators of the DWSD's water and sewer systems, and requested proposals from private parties for a "public-private partnership of the operation and management of the Detroit Water and Sewage Disposal Systems" in the form of an operating and management agreement.

68. On November 21, 2013, the Court entered the Order Establishing Bar Dates for Filing Proofs of Claim and Approving Form and Manner of Notice Thereof [Dkt. 1782]. Pursuant to this order, MIDDD timely filed its proof of claim on May 5, 2014 (the "MIDDD Proof of Claim"), approximately one month prior to the June 3, 2014 bar date set for governmental claims. The MIDDD Proof of Claim asserts \$26 million in liquidated, unsecured claims plus additional unliquidated claims (the "MIDDD Claim").

69. On May 15, 2014, the City filed its objection to the MIDDD Proof of Claim (the "MIDDD Claim Objection") [Dkt. 4961].

70. On May 30, 2014, in accordance with the Solicitation Procedures Order, MIDDD filed the Motion for Temporary Allowance of Claim of the Macomb Interceptor Drain Drainage District Pursuant to Rule 3018(a) of

the Federal Rules of Bankruptcy Procedure for Purposes of Accepting or Rejecting the Debtor's Fourth Amended Plan of Adjustment [Dkt. 5155].

71. On June 13, 2014, the City filed objections to the Rule 3018 Motion. [Dkt. 5312]. On June 18, 2014, MIDDD filed its response to the MIDDD Claim Objection [Dkt. 5421]. On June 20, 2014, MIDDD filed its reply to the objections. [Dkt. 5498].

72. On July 14, 2014, MIDDD submitted its brief in support of temporary allowance of the MIDDD Claim in the amount of \$26 million for the purpose of voting to accept or reject the Plan [Dkt. 6016].

73. On July 14, 2014, the City submitted its brief in support of its objections to the allowance of the MIDDD Claim for voting purposes [Dkt. 6015].

74. A hearing on the allowance of the MIDDD claim was held on July 17, 2014. On July 21, 2014, the Court issued an order concluding "that the claim of MIDDD shall be valued at \$26 million for voting purposes only." [Dkt. 6162].

75. In addition to these stipulations, an *Order Approving Stipulation By and Between the City of Detroit, Michigan and the COPs Creditors Regarding Certain Facts and the Admission of Certain Exhibits for the Confirmation Trial* (July 14, 2014)[Dkt. 6002] reflects the agreement of certain parties (as reflected in the Order) with respect to certain facts and exhibits.

2. Victor Weiner, an appraiser and Director of Victor Wiener Associates, LLC. Mr. Weiner will testify as an expert witness in this matter, and, as a result, on his involvement in issuing an opinion regarding the value of art collection housed at DIA.

FGIC may call the following individuals as part of its case in chief or on rebuttal:

1. Annemarie Erickson (Fact)
2. Graham Beal (Fact)

In addition to and without waiving any and all reservations noted in this Pretrial Order, FGIC reserves the right to call any witness on any party's witness list. FGIC also notes that pursuant to that certain Stipulation By and Between the City of Detroit, Michigan and the COPs Creditors Regarding Certain Facts and the Admission of Certain Exhibits for the Confirmation Trial, dated July 13, 2014 [Docket No. 5984], FGIC agreed that it will not call upon Derek Donnelly, Seth Lehman, Irvin Corley, Jr., Sean Werdlow, Roger Short, and John Williams to testify at any evidentiary hearing on the Plan. On that basis, these individuals are not included on FGIC's witness list.

## **II. *Exhibit List***

FGIC submits the following exhibits for use at the hearing on the City's Plan of Adjustment. In addition to and without waiving any and all reservations noted in this Pretrial Order, FGIC reserves the right to supplement this list of exhibits. Plummer within the following bates ranges: POA00735682-POA00738902, POA00738911-POA00741428, POA00741500-POA00745049. FGIC will supplement its trial exhibit list and work with the City to resolve objections, if any, to the use of these additional documents in advance of the final pre-trial conference on September 2, 2014. FGIC also reserves the right to use any exhibit listed by

any other party in this case. FGIC also reserves the right to supplement its objections to any party's exhibits.

The City disputes the reservations of rights contained in the foregoing paragraph.
