Rule 1002-1 Bankruptcy Petition and Cover Sheet

(a) **Number of Copies.** When a Paper Filing has been authorized under the ECF Procedures, only the original must be filed, except that the debtor must file an original and one copy of a chapter 9 petition or a chapter 11 petition.

(b) **Cover Sheet.** A petition must be accompanied by a completed form “Bankruptcy Petition Cover Sheet,” available on the court’s website.

Comment

This Local Rule was revised to refer to paper pleadings filed with the court as “Paper Filings” rather than “Traditional Filings.” This Local Rule is substantively unchanged.

Rule 1007-1 Schedules and Other Initial Papers

(a) **Failure to Timely File Initially Required Documents.** If the debtor fails to timely file the schedules, statement of financial affairs or other required documents and fails to timely move for an extension of time under Local Rule 9006-1(a) before the deadline for filing those documents, the debtor’s voluntary petition may be dismissed without a hearing unless, within 21 days after the petition is filed, a party files a request for a hearing. If a party files a timely request for a hearing, the court will schedule a hearing with notice to any party who requested it, the debtor, the trustee and the United States trustee.

(b) **Pro Se Declarations.** In a case in which the debtor is not represented by an attorney, the debtor must file a completed form “Declaration Under Penalty of Perjury for Debtor(s) Without An Attorney,” available on the court’s website. The deadline to file the declaration form is 14 days after the petition is filed.

(c) **Payment Order in a Chapter 13 Case.**

(1) Within 14 days after filing a chapter 13 petition or converting a case to chapter 13, the debtor must submit for entry one or more proposed initial payment orders, as necessary to make plan payments, using the following forms available on the court’s website:

(A) “Payment Order-Employer”

(B) “Payment Order-Electronic Transfer,” but only if a Payment Order-Employer cannot be effectuated.

(2) The initial Payment Order-Employer must be submitted on an *ex parte* basis and need not be submitted to the trustee for concurrence. A Payment Order-Electronic Transfer may only be submitted for entry upon a filed stipulation with the trustee. Upon entry, the trustee must serve a copy of the payment order(s) as appropriate.

(3) By the deadline under subpart (c)(1), the debtor may instead file a motion under Local Rule 9014-1 supported by an affidavit, or a stipulation with the trustee, for an order excusing the requirement of a payment order, for good cause.

(4) A payment order may be amended only by (A) an order entered upon a motion under Local Rule 9014-1, (B) an order entered upon a stipulation with the trustee, or (C) a provision in an order confirming the plan.

(5) This rule does not affect a debtor’s duty to commence or continue plan payments.

(d) **Service of the Plan in a Chapter 13 Case.** The debtor must promptly serve a copy of the plan on all creditors and other parties in interest and file a certificate of service. The debtor need not serve a copy of the plan on the trustee.

(e) **Application to Pay the Filing Fee in Installments.** The deadline to file an application and a proposed order authorizing payment of the filing fee in installments is 14 days after the petition is filed.

(f) **Section 521(a)(1)(B)(iv) Material.** The debtor need not file the material identified in § 521(a)(1)(B)(iv) - “copies of all payment advices or other evidence of payment received within 60 days before the date of the filing of the petition, by the debtor from any employer of the debtor.” Instead, if the debtor is represented by an attorney, the debtor’s attorney must transmit this material to the trustee in PDF format by email at least 7 days prior to the first date set for the meeting of creditors, but not later than 45 days after the date of the filing of the petition. If the debtor is not represented by counsel, the debtor must mail or deliver this material to the trustee at

least 7 days before the first date set for the meeting of creditors, but not later than 45 days after the petition was filed.

(g) Schedule C in a Joint Case. In a joint case, the court will order any Schedule C stricken if it does not clearly identify separate claims of exemption for husband and wife. A separate Schedule C for each debtor is recommended.

Comment

This Local Rule was changed to use the terms Payment Order-Employer and Payment Order-Electronic Transfer and to revise subpart (g). Subpart (g) will apply only to cases filed after the effective date of the amendments; the remainder of the revisions to the rule will apply to pending cases.

Rule 1007-2 The List of Creditors and the Matrix

(a) When a Matrix of Creditors and Matrix of Equity Security Holders Are Required; Contents. The requirements of this subpart (a) apply when a voluntary bankruptcy petition is filed by a Paper Filing as authorized under ECF Procedures. The petition must be accompanied by (1) a matrix listing the names, addresses and zip codes in alphabetical order of all creditors; and (2) in a chapter 11 case, a separately labeled matrix listing the names, addresses and zip codes of equity security holders. These matrices must comply with the “Guidelines for a Paper Filing Matrix,” available on the court’s website. A debtor with more than 100 creditors must, instead of filing a printed matrix, provide the matrix to the clerk by electronic media prepared using the guidelines available on the court’s website.

(b) ECF Filed Petition. When a petition is filed by ECF, the matrices described in subpart (a) need not be uploaded.

(c) Requirements for Listing Government Agencies. This subpart (c) applies to the list of creditors uploaded in ECF when a petition is filed and to the creditor matrix when a petition is filed by a Paper Filing. When any department or agency of the United States is listed in the matrix, the list of creditors must also include the United States Attorney for the Eastern District of Michigan (Attention: Civil Division). The address for the office of the United States Attorney must correspond to the court location where the petition is assigned and all subsequent service on the United States Attorney must be at that address. When an agency or department of the United

States is listed, the proper address must be obtained from the United States Attorney's Office and must be included. The United States trustee's office need not be included.

Comment

This Local Rule was revised to refer to paper pleadings filed with the Court as "Paper Filings" rather than "Traditional Filings." Other minor changes in wording were made to this Local Rule, which will apply only to cases filed after the effective date of the amendments.

Rule 1007-3 Credit Counseling Compliance

(a) Certification Procedures. A debtor who files a certification under § 109(h)(3)(A) must also file a motion for approval of the certification. The debtor must file the certification and the motion with the petition, serve it on all parties and file a certificate of service. The deadline to file a response is 14 days after service. If no timely response is filed, the certification will be deemed satisfactory under § 109(h)(3)(A)(iii) without a hearing or further order. The motion must be accompanied by a notice that the deadline to file a response is 14 days after service and that if no response is filed, the court will deem the certification satisfactory under § 109(h)(3)(A)(iii) without a hearing.

(b) Additional Extension of Time. A motion for an extension of time under § 109(h)(3)(B) must be served on all parties and may be accompanied by an *ex parte* motion for an expedited hearing. If the court grants an expedited hearing, the debtor must promptly serve a notice of the hearing on all parties and file a certificate of service.

(c) Motion to Excuse Credit Counseling. A motion seeking relief under § 109(h)(4) must be filed under Local Rule 9014-1.

Comment

This Local Rule was renumbered, but is substantively unchanged.

Rule 1007-4 Lists, Schedules, Statements, and Other Documents; Time Limits

(a) Schedules, Statements and Other Documents Required. Unless either: (A) § 707(b)(2)(D)(i) applies, or (B) § 707(b)(2)(D)(ii) applies and the exclusion from means testing granted therein extends beyond the period specified by F.R.Bankr.P. 1017(e), an individual debtor in a chapter 7 case must file a statement of current monthly income prepared as prescribed

by the appropriate Official Form, and, if the current monthly income exceeds the median family income for the applicable state and household size, the information, including calculations, required by § 707(b), prepared as prescribed by the appropriate Official Form.

(b) Time Limits. In a voluntary case, the schedules, statements, and other documents required by F.R.Bankr.P. 1007(b)(1), (4), (5) and (6) must be filed with the petition or within 14 days thereafter, except as otherwise provided in F.R.Bankr.P. 1007(d), (e), (f) and (h) or in subpart (c) of this Local Rule 1007-4. In an involuntary case, the list in F.R.Bankr.P. 1007(a)(2), and the schedules, statements and other documents required by F.R.Bankr.P. 1007(b)(1) must be filed by the debtor within 14 days of the entry of the order for relief. In a voluntary case, the documents required by subparts (A), (C) and (D) of F.R.Bankr.P. 1007(b)(3) must be filed with the petition. Unless the court orders otherwise, a debtor who has filed a statement under F.R.Bankr.P. 1007(b)(3)(B), must file the documents required by F.R.Bankr.P. 1007(b)(3)(A) within 14 days of the order for relief. In a chapter 7 case, the debtor must file the statement required by F.R.Bankr.P. 1007(b)(7) within 45 days after the first date set for the meeting of creditors under § 341 of the Code, and in a chapter 11 or 13 case no later than the date when the last payment was made by the debtor as required by the plan or the filing of a motion for a discharge under § 1141(d)(5)(B) or § 1328(b) of the Code. The court may, at any time and in its discretion, enlarge the time to file the statement required by F.R.Bankr.P. 1007(b)(7). The debtor must file the statement required by F.R.Bankr.P. 1007(b)(8) no earlier than the date of the last payment made under the plan or the date of the filing of a motion for a discharge under §§ 1141(d)(5)(B), 1228(b) or 1328(b) of the Code. Lists, schedules, statements, and other documents filed prior to the conversion of a case to another chapter will be deemed filed in the converted case unless the court directs otherwise. Except as provided in § 1116(3), any extension of time to file schedules, statements, and other documents required under this rule may be granted only on motion for cause shown and on notice to the United States trustee, any committee elected under § 705 or appointed under § 1102 of the Code, trustee, examiner, or other party as the court may direct. Notice of an extension must be given to the United States trustee and to any committee, trustee, or other party as the court may direct.

(c) Time Limits For, and Notice To, Debtors Temporarily Excluded from Means Testing.

(1) An individual debtor who is temporarily excluded from means testing pursuant to § 707(b)(2)(D)(ii) of the Code must file any statement and calculations required by F.R.Bankr.P. 1007(b)(4) no later than 14 days after the expiration of the temporary exclusion if the expiration occurs within the time specified by F.R.Bankr.P. 1017(e) for filing a motion pursuant to § 707(b)(2).

(2) If the temporary exclusion from means testing under § 707(b)(2)(D)(ii) terminates due to the circumstances specified in subpart (c)(1) of this Local Rule 1007-4, and if the debtor has not previously filed a statement and calculations required by F.R.Bankr.P. 1007(b)(4), the clerk must promptly notify the debtor that the required statement and calculations must be filed within the time specified in subpart (c)(1) of this Local Rule 1007-4.

Comment

This Local Rule was renumbered, and is substantively unchanged.

Rule 1007-5 Identification Request

The clerk has the authority to require any individual presenting a bankruptcy petition for filing at intake to produce a government-issued photo identification and to refuse such filing if such identification is not produced upon request. The court may grant relief from this rule upon request in a specific case.

Comment

This Local Rule is new and adopts former Administrative Order 08-23. The rule will apply only to cases filed after the effective date of the amendments.

Rule 1009-1 Amendment of Initial Papers

(a) **Procedure.** An amended petition, schedule, statement of financial affairs or matrix must be accompanied by a completed form “Cover Sheet for Amendments,” available on the court’s website. The amended paper must be signed by the amending party. If several papers are contemporaneously amended, the amending party may file one signed affirmation relating to all of the amended papers in the same form as required on the original documents. The amended

paper must completely disclose all information required by the form. A “supplemental” paper that merely provides additional information may not be filed.

(b) Service of Amendment. The debtor must serve a copy of the amendment and the “Cover Sheet for Amendments” on all entities affected by the amendment and file a certificate of service.

(c) Adding an Omitted Creditor More Than 14 Days Prior to the Meeting of Creditors. A debtor who, more than 14 days prior to the commencement of the meeting of creditors, amends a schedule to add a creditor not previously listed, must comply with subparts (a) and (b).

(d) Adding an Omitted Creditor After 14 Days Prior to the Meeting of Creditors. If an amendment adding a creditor is filed after 14 days prior to the commencement of the meeting of creditors:

(1) the deadlines under F.R.Bankr.P. 4007 and F.R.Bankr.P. 4004 for the filing of complaints under § 523 or § 727, respectively, and the deadline under F.R.Bankr.P. 4003(b) to object to the debtor’s claim of exemptions are extended to allow the added creditor the same number of days in which to file such a complaint or objection as the creditor would have had if the creditor had been properly scheduled when the order for relief was entered;

(2) the creditor added by the amendment is entitled to examine the debtor under oath with any reasonable expense to be borne by the debtor; and

(3) the debtor must serve the amended document, a notice containing a copy of subpart (d) of this rule and a copy of the notice of commencement on the added creditor and file a certificate of service.

Comment

This Local Rule is substantively unchanged.

Rule 1015-1 Joint Administration of Cases of Affiliated Debtors

(a) The Motion. A motion for joint administration of affiliated debtors filed under F.R.Bankr.P. 1015(b) and (c) must contain detailed information concerning:

- (1) the disclosure required by F.R.Bankr.P. 1007(a)(3);
- (2) any inter-debtor claims and whether they are disputed or undisputed;
- (3) any guaranties or co-obligations among the debtors and non-debtor equity holders;
- (4) whether any of the debtors is a publicly traded entity; and
- (5) inter-company transfers within one year before the order for relief.

(b) The Proposed Order. The proposed order attached to the motion must include a paragraph identifying the proposed caption to be used for the jointly administered cases. The caption must use the name of a publicly traded entity, if any, with the other debtors indicated by the phrase, “et al.” If there is no publicly traded entity, the name of the debtor to be used must be the name of the debtor with the first filed case. The case number to be used for the jointly administered cases must be the lowest number of the cases. There must also be a footnote to the caption stating that the case is jointly administered with the cases of other debtors, identifying the names and case numbers of the cases of the other debtors.

(c) Service of the Motion. A motion requesting joint administration must be served on the United States trustee, the members and counsel of any official committees (or, if no official committee is yet formed, the list of creditors filed by the debtors under F.R.Bankr.P. 1007(d)), secured creditors, taxing authorities and any other persons as directed by the court.

(d) Service of the Order. The debtors must serve the joint administration order on all of the creditors in each of the jointly administered cases and file a certificate of service.

(e) Subsequent Filings. Except as provided in subpart (f), if the motion for joint administration is granted, then thereafter all papers may be filed only in the lead case and must include the footnote described in subpart (b).

(f) Proof of Claim. Unless the court orders otherwise, a proof of claim in jointly administered cases must be filed in the case of the debtor against whom the claim is asserted. Objections to any such proof of claim must be filed in the case in which the proof of claim has been filed.

(g) **Chapter 13 Joint Administration.** The filing of a chapter 13 plan in a jointly filed case by a husband and wife will constitute a motion for the joint administration of the estates filed under F.R.Bankr.P. 1015(b) and (c). Upon entry of the order confirming the plan, the estates will be jointly administered.

Comment

This Local Rule was substantively changed only in subparts (f) and (g). The revisions will apply only to cases filed after the effective date of the amendments.

Rule 1017-1 Conversion from Chapter 13 to Chapter 7

(a) When a debtor whose debts are primarily consumer debts converts a chapter 13 case to a chapter 7 case, the debtor must file Official Form 22A within 14 days after filing the notice of conversion or the entry of an order converting the case. If the case is dismissed because the debtor failed to timely file the statement in the converted case, this dismissal is without prejudice to the debtor's right to move to reinstate the case under Local Rule 9024-1(c) within 14 days after entry of the dismissal order.

(b) The chapter 13 trustee must file a final report within 30 days of all checks clearing in the debtor's chapter 13 case.

(c) After conversion of a chapter 13 case to another chapter, the chapter 13 trustee must be served with any pleading that relates to the chapter 13 case or which may require action by the chapter 13 trustee.

(d) After conversion of a chapter 13 case to another chapter, any pleadings which must be served on the chapter 13 trustee must be served by first class mail.

Comment

Subparts (b), (c) and (d) were added to this Local Rule. The revisions will apply only to cases converted to chapter 13 after the effective date of the amendments.

Rule 1017-2 Dismissal for Failure to Furnish Tax Returns Under § 521(e)(2)(B) or (C)

Immediately after filing a motion under § 521(e)(2)(B) or (C), the movant must contact the judge's courtroom deputy clerk to obtain a hearing date. The clerk will cause a notice of the hearing to be served on all parties in interest. Any party in interest may be heard at the hearing. Written objections are permitted but not required. If the movant seeks a hearing on the motion

before the meeting of creditors, the movant must file the motion no later than 3 days after the expiration of the deadline in § 521(e)(2)(A)(i).

Federal income tax returns prepared postpetition should be sent to the address specified on the court's website.

Comment

The only substantive change to this Local Rule was to add the last sentence. This change will apply to federal income tax returns prepared after the effective date of the amendments.

Rule 1071-1 Court Divisions and the Transfer of a Case or Proceeding

(a) Court Locations. The work of the court is divided by county among court locations as follows:

Detroit: Jackson, Lenawee, Macomb, Monroe, Oakland, St. Clair, Sanilac, Washtenaw and Wayne Counties;

(b) Identifying the Appropriate County. (c) Transfer of Case or Proceeding.

(1) Upon notice and hearing, a judge may, in the interest of justice or for the convenience of the parties, transfer a case or proceeding filed in a proper location to any other court location within the district.

(2) If a case is filed in an improper court location, a judge may transfer it to a proper court location on stipulation of the debtor and the United States trustee or upon motion of the United States trustee or any party in interest.

Comment

This Local Rule is substantively unchanged.

Rule 1073-1 Assignments of Cases

(a) Assignments to Judges.

(1) A petition from a county assigned or transferred to the Detroit location under Local Rule 1071-1 will be assigned to a judge by a blind draw system adopted by the court except that a companion case will be assigned to the judge to whom the first companion case was assigned or to the judge who is appointed to fill the vacancy of that judge.

(2) A petition from a county assigned or transferred to the Bay City or Flint locations under Local Rule 1071-1 will be assigned to the judge responsible for those court locations.

(3) All adversary proceedings arising in a case will be assigned to the judge to whom the case is assigned. If the case in which the adversary proceeding arose is pending in

another district, the adversary proceeding will be assigned in accordance with the assignment practices of the court location where the adversary proceeding is filed.

(4) When a judge enters an order for recusal with respect to a case, a particular matter arising therein or an adversary proceeding, reassignment will be by blind draw to a judge at Detroit.

(5) If any matter requires urgent or immediate attention and the judge to whom the matter has been assigned is not or will not be available, then the clerk will assign the matter to another judge available at Detroit by blind draw.

(2) To facilitate the administration of the court's docket and for good cause shown, a case or proceeding may be reassigned by the chief judge from one judge to another judge with the consent of the judges involved.

Rule 2015-3 Trustee's Procedures Upon Chapter 13 Plan Completion

(a) Procedure Leading to Entry of the Debtor's Discharge. Within 30 days after the completion of plan payments by the debtor to the trustee, the trustee must file and serve on the debtor and all holders of allowed claims a notice stating that:

- (1) the debtor's payments to the trustee under the plan have been completed.
- (2) the order of discharge will include findings that:
 - (A) all allowed claims have been paid in accordance with the plan, and
 - (B) with respect to any secured claim that continues beyond the term of the plan, any prepetition defaults have been cured.
- (3) the order of discharge will direct that:
 - (A) any creditor who held a secured claim that was fully paid must execute and deliver to the debtor a release, termination statement, discharge of mortgage or other appropriate certificate suitable for recording; and

(B) any creditor who holds a secured claim that continues beyond the term of the plan must take no action inconsistent with the above findings.

(4) in addition to the requirements for holders of claims governed by F.R.Bankr.P. 3002.1, any party may file with the court an objection to the trustee's notice under subpart (a)(1); to assert that the debtor is not current in the payments that the debtor was authorized to make directly to a creditor; to the proposed findings as stated in subpart (a)(2); or to the proposed terms of the order of discharge as stated in subpart (a)(3).

(5) the deadline to file an objection is 21 days after service of the notice. If no objection is timely filed with the court under this rule, and no statement disagreeing with the notice of final cure payment is timely filed under F.R.Bankr.P. 3002.1(g), the court may enter an order of discharge containing the provisions of subparts (a)(2) and (a)(3) without a hearing. If either a timely objection is filed with the court under this rule, or a timely statement disagreeing with the notice of final cure payment is filed under F.R.Bankr.P. 3002.1(g), the court will delay entry of the order of discharge until it resolves such objection or statement, after a hearing that will be scheduled by the court upon the filing of such objection or statement with notice to the party filing such objection or statement, the debtor and the trustee.

(6) to avoid defaulting on any continuing secured debt obligation, the debtor must immediately begin making the required payments on that obligation.

(7) the chapter 13 discharge does not discharge the debtor from any obligation on any continuing secured debt payments that are due after the trustee's last disbursement to the creditor.

The trustee must file a certificate of service of this notice.

(b) **Additional Notice.** The notice under subpart (a) must also state that unless a party timely objects under subpart (a)(4), the court may find without a hearing that there is no reasonable cause to believe that:

(1) § 522(q)(1) may be applicable to the debtor; and

(2) there is pending any proceeding in which the debtor may be found guilty of a felony of the kind specified in § 522(q)(1)(A) or liable for a debt of the kind described in § 522(q)(1)(B).

(c) **Application.** Subparts (a)(2)(B) and (a)(3)(B) will not apply to the extent that the court has entered an order providing otherwise.

(d) **Trustee's Final Report and Account.** Within 120 days after the trustee files the notice required under subpart (a), the trustee must file the final report and account and serve it or a summary thereof on all holders of allowed claims and file a certificate of service.

(1) The final report must state the allowed amount of each claim and the amount paid thereon.

(2) The report and any summary thereof that is served must also state that the deadline to file an objection to the trustee's final report and account is 28 days after service of the final report; that if no objection is timely filed, the trustee may be discharged and the case may be closed without a hearing; and that if a timely objection is filed, a hearing will be scheduled with notice to the objecting party, the debtor and the trustee.

(e) Compliance with this rule is inapplicable where the stay has been terminated.

The applicant is also encouraged to disclose for each professional any published articles and books, and any professional memberships, positions, activities, honors and board certifications.

(17) Exhibit 7 must be an itemized statement of expenses for which reimbursement is sought. For each expense, this statement must disclose its date and a description of the nature and purpose of the expense. Rule 2016-2 Interim Payment of Fees

(a) Motion for Interim Fee Payments. In a chapter 11 case, for cause shown, any professional appointed under § 327 or any official committee may move for an order authorizing interim payments of fees and expenses pending a formal fee application. A motion seeking interim payment of fees or expenses pending a formal fee application must address the following factors and any other relevant factors:

- (1) whether a large amount of fees will accrue each month;
- (2) whether a failure to allow interim payments would cause an undue hardship; and
- (3) whether the professional or committee will be able to disgorge the interim payments if required.

In determining whether to permit an interim fee procedure, the court will consider all the facts and circumstances.

(b) Interim Fee Procedure. When the court enters an order granting a motion for interim fee payments to a professional or committee:

- (1) that professional or committee may file an itemized monthly fee and expense statement in compliance with the provisions of these Local Rules and, when applicable, the United States Trustee Fee Guidelines, setting forth in detail the fees and expenses for

which payment is sought for the preceding month, and must serve a copy of the statement on the debtor and such additional parties as the court may designate and file a certificate of service;

(2) each statement must include, as an exhibit, records that itemize services and expenses in conformity with the Federal Rules of Bankruptcy Procedure, these Local Rules and the United States Trustee Fee Guidelines;

(3) the deadline to file an objection to the interim fee statement is 14 days from the date of service of the interim statement. If no objection is timely filed, the debtor is authorized to pay in the ordinary course of business: (A) 80% of the professional fees; (B) 100% of the expenses incurred by the professional; and (C) 100% of the expenses incurred by committee members. The 20% professional fee hold back will be paid only in accordance with the Federal Rules of Bankruptcy Procedure, Local Rule 2016-1 and the Code sections governing the award of fees;

(4) any objection to any interim statement must be filed and served on the affected professional or committee. The objection must specify in detail the nature and basis of the objection and the amount not disputed. Pending resolution of the objection, the debtor is authorized to pay the professional or committee the amount requested in the particular monthly statement less the greater of: (A) the amount in dispute, or (B) the professional fee hold back provided in subpart (3) above. The parties must endeavor to resolve any objection within 5 days. If a resolution is not achieved, the professional or committee may request a hearing; and

(5) the failure of any party to object to an interim fee statement within the objection period does not constitute a waiver of the right to object to any interim or final fee application filed by any professional or committee or preclude any disgorgement of fees or expenses paid.

(c) **Interim Fee Applications Required.** If the court permits interim fee payments under this rule, the professional must file interim fee applications every 120 days under § 331 and

committee members must file requests for allowance of administrative expenses every 120 days under § 503(b)(3)(F).

Any group, committee or entity required to file a disclosure under F.R.Bankr.P. 2019 must file the disclosure at the same time as the group, committee or entity's first paper is filed.

Comment

Currently, there is no timing requirement regarding a disclosure under F.R.Bankr.P. 2019. This Local Rule tracks the corporate ownership disclosure requirement in Local Rule 9013-3. The rule will apply only to cases filed after the effective date of the amendments.

Rule 3001-1 – Transfer of Claim

Any assignment or other evidence of a transfer of claim filed after the proof of claim has been filed must include the claim number of the claim to be transferred.

This Local Rule is new.

Rule 3001-2 Adjustment in a Periodic Payment on a Secured Claim in Chapter 13

(a) Creditor's Notice. A creditor with a claim under § 1322(b)(5) or (b)(7) that is not governed by F.R.Bankr.P. 3002.1 must file and serve on the debtor, debtor's counsel and the trustee, a notice of any proposed increase or decrease of periodic payments and file a certificate of service. The deadline to file this notice is 21 days before the effective date of the adjustment of the payment amount. The notice must fully disclose the calculations on which the adjustment is based.

(b) Objection. The deadline to file an objection to a creditor's notice under subpart (a) or to a notice of mortgage payment change filed under F.R.Bankr.P. 3002.1(b) is 21 days after service of the notice. If an objection is filed, the court will schedule a hearing with notice to the debtor, the creditor and the trustee.

(c) Effective Date of Proposed Change. A proposed payment change under subpart (a) or under F.R.Bankr.P. 3002.1(b) will be effective 21 days after service of the notice, unless the court orders otherwise.

(d) Notice of Inability to Comply with Timing Requirements. This subpart (d) applies to a creditor whose claim is secured by a mortgage for which the amount of the debtor's payment obligations is subject to change more frequently than once every 60 days. Such a creditor may file a "Notice of Inability To Comply With Local Rule 3001-2(a) Deadline" as an attachment to any statement of proposed payment change filed under subpart (a) of this rule. Upon the filing of a notice under this subpart (d), unless there is an objection filed within 14 days or the court orders otherwise, the trustee must effectuate the payment change stated in the notice of payment change.

Comment

This Local Rule was changed to add subpart (d).

Rule 3003-1 Deadline to File a Proof of Claim, a Proof of Interest or a § 503(b)(9) Motion in a Chapter 11 Case

In a chapter 11 case, unless the court orders otherwise, (a) the deadline for filing a required proof of claim or equity interest or a motion for the allowance of a claim under §503(b)(9) is 90 days after the first date set for the meeting of creditors, if filed by a party other than a governmental unit, and (b) the deadline for filing a proof of claim or equity interest or a motion for the allowance of a claim under § 503(b)(9) is 180 days after the date of the order for relief, if filed by a governmental unit.

Comment

This Local Rule was revised to establish a different deadline for governmental units to file claims in Chapter 11 cases, similar to the claims deadline for governmental units in Chapter 7, 12 and 13 cases under F.R.Bankr.P. 3002(c)(1). The revisions apply only to cases filed after the effective date of the amendments.

Rule 3007-1 Objection to a Claim

(a) **Procedure.** An objection to claim must be filed with a completed form “Notice of Hearing on Objection to Claim,” available on the court’s website and a certificate of service. The date and time for the hearing stated on the notice of hearing must be obtained from the schedule of available hearing dates for claims objections on the court’s website. The date of the hearing must be at least 30 days after the date of service of the hearing notice. The notice of hearing must state that if the creditor does not file a response by 7 days before the date set for the hearing on the objection, the court may cancel the hearing and enter an order sustaining the objection. **[NTD: The form of notice on the court’s website states that if a response to an objection to claim is not timely filed, “the hearing will be canceled, and the objection sustained.” To be consistent with the rule, the form should be changed to say “the hearing may be canceled and the objection may be sustained.”]**

(b) **Deadline for Response.** The deadline for a creditor whose proof of claim is subject to an objection to file a response to the objection is 7 days before the date set for the hearing on the objection.

(c) **No Response.** If a response is not timely filed, the objecting party may file a certificate to that effect and submit a proposed order sustaining the objection. If the court decides to proceed with the scheduled hearing, the court will notify the objecting party.

(d) **Initial Hearing.** Unless the court orders otherwise, the initial hearing on an objection will not be an evidentiary hearing. If the court determines an evidentiary hearing is necessary, the court will schedule the evidentiary hearing at the initial hearing.

Comment

Subpart (d) is new. This Local Rule is otherwise substantively unchanged.

Rule 3007-2 Omnibus Objection to Claims

(a) **Scope of Rule.** This rule applies to any objection to the allowance of a claim under an omnibus objection (i.e., an objection to claims asserted by more than one claimant).

(b) **Type Size.** The type size of all charts or exhibits to an omnibus objection to claims must be no smaller than 10 point (proportional).

Comment

This Local Rule is new.

Rule 3013-1 Classification of Claims in a Chapter 11 Plan

Unless unduly burdensome due to the large number involved, the disclosure statement must identify by name the entities who hold a claim or equity interest within each class and the amount of each entity's claim or equity interest within each class. However, specific identification is not required for convenience classes or for a class of unsecured nonpriority claims when there is only one such class.

Comment

This Local Rule was amended to provide that the detailed information identifying holders of claims and equity interests is to be set forth in the disclosure statement (rather than the plan).

Rule 3014-1 Election Under § 1111(b)

When the court has entered an order requiring a combined plan and disclosure statement, the deadline to file an election under § 1111(b) is 7 days before the first scheduled date of the confirmation hearing.

Comment

This Local Rule is modified to require a § 1111(b) election before the first date set for the confirmation hearing.

Rule 3015-1 The Chapter 13 Plan

- (a) **Plan Contents.** In addition to the requirements of § 1322(a), a plan must contain:
- (1) a statement of the value of each item of encumbered property;
 - (2) the time within which the debtor proposes to cure any default on any secured claim;
 - (3) a direction to the trustee to either assume or reject any executory contracts or unexpired leases; and if the plan proposes an assumption of a contract or lease that is in default, then a statement as to the method and time to cure the default and an explanation of how to satisfy each of the other § 365(b) requirements for assumption of a defaulted contract or lease;
 - (4) a method by which the trustee can determine the point at which the plan is completed;
 - (5) a statement of the order in which claims are to be paid;
 - (6) a statement of the rate of interest to be paid with respect to each secured claim, articulated as a number and not in formula fashion;
 - (7) a statement of whether all tax returns due have been filed and if not, which returns were not filed;
 - (8) a statement of whether the debtor, if self-employed, incurs trade credit;

(9) if the plan provides for the payment of a claim governed by § 1322(b)(5) or (b)(7), a provision that payments by the debtor to the trustee and by the trustee to the creditor on such claim will be adjusted as provided in Local Rule 3001-2;

(10) if the plan provides for a surrender of real property to a secured creditor, a statement that the requirements of Local Rule 3001-2 will be waived as to that creditor; and

(11) if the plan provides for a surrender of property to a secured creditor, a statement that the automatic stay will be lifted as to that creditor's claim to collateral.

(b) **Plan Attachments.** The debtor must attach to the plan:

(1) an analysis of what creditors would receive if the case were a chapter 7 case; and

(2) a completed form "Chapter 13 Worksheet," available on the court's website, estimating the total amount of non-priority unsecured claims and the anticipated dividend to non-priority unsecured creditors if the debtor successfully performs the plan.

Comment

This Local Rule adds subparts 3015-1(a)(10) and (11).

Rule 3015-2 Modification of Plan in a Chapter 13 Case

(a) **Pre-Confirmation Modification of Plan.**

(1) In a chapter 13 case, a pre-confirmation modification of a proposed plan that does not materially and adversely affect any party in interest may be incorporated in the proposed order confirming the plan.

(2) A pre-confirmation modification to a proposed plan that materially and adversely affects any party in interest:

(A) may be incorporated in the proposed order confirming the plan that is executed by the adversely affected party; or in the alternative,

(B) must be incorporated into a completely restated plan that must be dated and identified as “First Modified Plan,” “Second Modified Plan,” etc., as the case may be. The debtor must serve a copy of the modified plan on all creditors and parties in interest that are adversely affected by the modification and file a certificate of service. The debtor must attach to the plan the papers required under Local Rule 3015-1(b).

(3) All amended schedules that are necessary for confirmation of a modified plan must be filed prior to or contemporaneously with the modified plan.

(b) Post-Confirmation Plan Modification.

(1) The proponent of a proposed post-confirmation plan modification must:

(A) serve the modification as required by F.R.Bankr.P. 3015(g) and file a certificate of service;

(B) comply with Local Rule 3015-2(b);

(C) state with specificity the impact of the proposed plan modification on each class of creditors;

(D) file the form “Notice of Deadline to Object to Chapter 13 Plan Modification,” available on Court’s website; and

(E) file using the ECF event, “Chapter 13 Post-Confirmation Plan Modification.”

(2) If a timely objection is filed, the Court will set the matter for hearing and give notice of the hearing to the debtor, the proponent of the plan modification, the trustee and any objecting parties.

(3) A proposed post-confirmation plan modification may not be proposed by motion. Upon the filing of such a post-confirmation motion, the Court will enter an order denying it without prejudice to the debtor’s right to file a proposed plan modification.

(4) If the plan modification is proposed by the debtor, the debtor must file, prior to or contemporaneously with the modified plan, all amended schedules that are necessary for approval of the plan modification and a proposed order modifying the plan. If the plan modification adversely affects any party in interest, the proponent must attach to the plan modification the papers required under Local Rule 3015-1(b). The plan modification will become effective when the court enters an order pursuant to the proponent's filing a certification that no timely objection was filed or when the court enters an order overruling or resolving all objections. Upon a request of a party in interest any related exhibits to the proposed modification must be provided to the party within five days of said request.

(5) If the plan modification adversely affects any party in interest, the proponent must attach to the plan modification the papers required under Local Rule 3015-1(b). The plan modification will become effective when the proponent files a certification that no timely objection was filed or when the court enters an order overruling or resolving all objections.

(c) Payment of a § 1305(a) Post-Petition Claim.

(1) The debtor must serve a notice of the filing of a § 1305(a) post-petition claim on all creditors whose claims are allowed and file a certificate of service. The notice must state: the name of the post-petition creditor; the amount of the claim; the nature of the debt; the impact that allowance of the claim would have upon disbursements to other creditors; and the following procedural information:

“If no objection to paying the post-petition claim as provided for in the plan is filed within 14 days, the trustee may pay the claim in the manner provided in the plan. If you have any objection to the claim itself or to the effect that payment of the claim will have on your dividend, then you must file a written objection within 14 days or the objection will be deemed waived.”

The debtor must file a certificate of service of such notice.

(2) If no party files an objection, the chapter 13 trustee may disburse payments to the creditor with the post-petition claim commencing 18 days after the notice is served provided the creditor has filed a proof of claim. If a party timely files an objection, the court will schedule a hearing with notice to the debtor, the creditor and the trustee.

Comment

This Local Rule was revised to incorporate former Guideline 6, which has been eliminated.

Rule 3015-3 Confirmation of a Chapter 13 Plan

(a) Objection to Confirmation of a Plan.

(1) In a chapter 13 case, an objection to the confirmation of the plan must be filed by the deadline established in the notice of the commencement of the case.

(2) A party who fails to file an objection to confirmation may be deemed to have consented to confirmation of the plan and if the party is a secured creditor, the party may be deemed to have accepted the plan for purposes of § 1325(a)(5)(A).

(3) A secured creditor who disputes the value ascribed to collateral that the debtor proposes to retain under the terms of the plan must file an objection to confirmation of the plan. The debtor must forthwith make the collateral available to the creditor for examination and appraisal. The resulting hearing under F.R.Bankr.P. 3012 will be conducted as part of the plan confirmation hearing.

(4) The deadline to file an objection to the confirmation of a modified plan is 28 days after service of the modified plan.

(5) Unless announced on the record at the confirmation hearing, a withdrawal of an objection to confirmation of a plan must be evidenced by a filed withdrawal of the objection or by the signature of the objecting party or its counsel on the proposed order confirming the plan.

(b) Hearing on Confirmation of Plan.

(1) Neither the debtor nor debtor's counsel need appear at the confirmation hearing if:

(A) either no timely objection to confirmation has been filed or all timely objections have been withdrawn or resolved; and

(B) the chapter 13 trustee has approved the proposed order confirming the plan.

(2) If the court declines to confirm the plan or if a party appears at the confirmation hearing and is permitted for cause to argue an untimely objection, the court will

reschedule the hearing with notice to the debtor, debtor's counsel, the trustee and the objecting creditor.

At the hearing on the confirmation of a chapter 11 plan, if no objection to confirmation has been filed or if all filed objections have been resolved, and if no class of claims or equity interests has rejected the plan, upon consent of all parties present, the court may dispense with an evidentiary hearing and based on the lack of objection and the consents, may find that each of the elements necessary for confirmation under § 1129(a) has been established.

Rule 4001-1 Motion for Relief from the Stay

(a) **Parties to be Served.** A party seeking relief from the stay or filing an agreement regarding the stay must file a motion under Local Rule 9014-1. In addition to service upon the parties required to be served under F.R.Bankr.P. 4001, the moving party must serve the motion or agreement on the debtor, any trustee, any other parties asserting an interest in the property that is the subject of the motion or agreement, and on any other party who has requested notice, and file a certificate of service.

(b) **Contents of the Motion.** If applicable, the motion must identify the property, state the names and purported interests of all parties that are known or discoverable upon a reasonable investigation to claim an interest in the property, state the amount of the outstanding

indebtedness, and state the fair market value of the property. The motion must have attached a legible and complete copy of any relevant agreements and documents establishing perfection including notes, assignments of instruments, mortgages and UCC-1 financing statements. The exhibits must be redacted as necessary to comply with F.R.Bankr.P. 9037. A motion for relief from the stay must be so entitled.

(c) **The Preliminary Hearing.** Unless the court notifies the parties in or contemporaneously with the notice of the preliminary hearing, the preliminary hearing will not be an evidentiary hearing and the court will determine whether to schedule a final hearing based on the parties' papers and arguments. At the preliminary hearing, the court may decide issues of law or define the factual or legal issues to be determined at the final hearing and may issue appropriate scheduling orders. The parties may request or the court may order that the preliminary hearing be treated as the final hearing.

(d) If, subsequent to filing and serving the motion, the moving party and debtor reach an agreement in settlement of the motion, they may file a stipulation and proposed order approving the agreement. The stipulation must be signed by the moving party and the debtor, along with any trustee and any party who has objected to the motion.

This Local Rule adds new subpart (d) and is otherwise substantively unchanged.

Rule 4001-2 Motion for Use of Cash Collateral or to Obtain Financing

(a) **Contents of the Motion.** In addition to the requirements of F.R.Bankr.P. 4001(b)(1)(B) and F.R.Bankr.P. 4001(c)(1)(B), a motion for use of cash collateral under § 363(c)(2) or to obtain credit under § 364(c) or (d) must explicitly state the moving party's position as to the value of each of the secured interests to be protected. Pertinent appraisals and projections must be summarized in the motion.

(b) **Cover Sheet.**

(1) The motion must be filed with a completed form "Cover Sheet for Motion to Use Cash Collateral or to Obtain Financing," available on the court's website. When a cover sheet is not filed as required, the Court may enter an order striking or denying the motion without prejudice to the movant's right to file the motion in compliance with this rule.

(2) If any proposed order granting interim or final relief would alter any information given in the initial cover sheet, then the movant must file an amended cover sheet concurrently with the submittal of the proposed order indicating where appropriate all changes from the original proposed order.

(c) **Motion to Approve Agreement.** A motion for the entry of an order approving an agreement for the use of cash collateral or to obtain credit on an expedited basis may be granted without a hearing if the motion complies with F.R.Bankr.P. 4001(d)(1)(B) and if:

(1) the proposed order is approved by all creditors who may have an interest in the cash collateral to be used or the credit to be extended, by the chairperson or attorney for each official committee and by the United States trustee;

(2) the proposed order provides for the debtor to use cash collateral or to obtain credit in a maximum specified dollar amount necessary to avoid immediate and irreparable harm only until the earlier of the date of the final hearing or the date that the order would become a final order;

(3) the proposed order provides for a final hearing, the date and time for which will be filled in by the court when the proposed order is entered;

(4) the proposed order provides that the debtor must, within 24 hours of its entry, serve a copy of the motion with its attachments and the entered order on all parties who are required to be served under F.R.Bankr.P. 4001(d);

(5) the proposed order provides that:

(A) the deadline to file an objection to the proposed order is 14 days from the entry of the order, except that an official committee may file objections within 14 days after it is served with the entered order;

(B) if an objection is timely filed, the final hearing will be held; and

(C) if no objection is timely filed, the interim or preliminary order may become a final order; and

(6) the motion is accompanied by an affidavit or declaration of the debtor or a principal of the debtor stating the facts upon which the debtor relies in seeking the entry of the proposed order on an expedited basis and the amount of money needed to avoid immediate and irreparable harm.

(d) Interim Order on Expedited Basis. If a debtor files a motion for authority to use cash collateral or to obtain post-petition financing but the debtor's prepetition secured creditors have not consented to the relief sought in the motion, the court may enter an interim order granting the relief requested on an expedited basis if:

(1) the debtor has served a copy of the motion, a proposed order and a notice of the hearing on the motion on the non-consenting secured creditors in the manner set forth in Local Rule 9013-1;

(2) the court has held a hearing on the motion at which the non-consenting secured creditors were given an opportunity to be heard;

(3) the proposed order complies with each of the requirements of subparts (c)(2) - (c)(6) of this rule; and

(4) the court makes a specific finding of fact that the protection offered to the non-consenting secured creditors is adequate and such adequate protection is incorporated into the proposed order.

(e) Effect of Interim Order. If the court enters an interim order under subpart (d) of this rule over the objection of a secured creditor or if a secured creditor does not appear at the hearing or object to the motion, such secured creditor retains the right to object to the interim order as provided in subpart (c)(5)(A) of this rule.

(f) Reducing or Enlarging for Objections. On timely motion, the court may enlarge or reduce the time within which an objection must be filed, except that the court may not reduce the time within which a non-consenting secured creditor must file an objection under subpart (c)(5)(A) of this rule. In its discretion, the court may schedule a hearing on the debtor's motion at any time,

with such notice as it deems appropriate, provided such notice and hearing are consistent with subpart (d) of this rule.

Comment

This Local Rule modifies subpart (b)(1) and adds new subpart (b)(2), but is otherwise substantively unchanged.

- (6) the extent to which the claims of the Critical Vendors may be entitled to payment as administrative priority or secured claims.
- (7) the terms by which the debtor will seek to do business with the Critical Vendors post-petition, including the terms of any post-petition credit; and
- (8) the impact of granting the requested relief on the creditors deemed not to be Critical Vendors.

(b) **Not First Day Motion.** Consistent with F.R.Bankr.P. 6003(b), a critical vendor motion will not be considered a First Day Motion.

(c) **Service of Motion.** The motion must be served on all creditors.

Comment

This Local Rule was renumbered, eliminates the requirement to file a brief and modifies the required content of a critical vendor motion.

Rule 4001-4 Additional Procedures To Extend Stay And To Order Stay To Take Effect

(a) Motion to Extend the Stay. The deadline to file and serve a motion to extend the stay under § 362(c)(3)(B) and to file a certificate of service is 7 days after the petition is filed. When such a motion is filed, the court will schedule a hearing with a notice to all parties in interest. If the movant has not received a notice of hearing within 7 days after filing the motion, the movant may contact the judge's courtroom deputy clerk to obtain a hearing date within the time limit established by law. Any party in interest may be heard at the hearing. Written objections are permitted but not required.

(b) Motion to Order the Stay to Take Effect. A motion to order the stay to take effect under § 362(c)(4)(B) may be accompanied by an *ex parte* motion for an expedited hearing. Otherwise, the court will schedule a hearing in due course. In either event, the court will cause a notice of the hearing to be served on all parties in interest. If the movant has not filed a motion for an expedited hearing and has not received a notice of hearing within 7 days after filing the motion, the movant may contact the judge's courtroom clerk to obtain a hearing date. Any party in interest may be heard at the hearing. Written objections are permitted but not required.

(c) Objection Under § 362(l)(3)(A). When an objection under § 362(l)(3)(A) is filed, the court will schedule a hearing with notice to all parties in interest. If the objecting party has not received a notice of hearing within 3 Business Days after filing the objection, the objecting party must contact the judge's courtroom deputy clerk to obtain a hearing date; otherwise, the requirement to hold a hearing within 10 days under § 362(l)(3)(A) is waived.

(d) Objection Under § 362(m)(2)(B). When an objection under § 362(m)(2)(B) is filed, the court will schedule a hearing with notice to all parties in interest. If the debtor has not received a notice of hearing within 3 Business Days after filing the objection, the debtor must contact the judge's courtroom deputy clerk to obtain a hearing date; otherwise, the debtor's objection is deemed waived and the 15 day period of § 362(m)(1) will continue to run.

(e) **Order Regarding the Existence of the Stay.** A party seeking relief under either § 362(c)(4)(A)(ii), § 362(j) or § 521(a)(6) must file a motion under Local Rule 9014-1. The motion must be titled, “Motion for an Order Confirming That No Stay Is in Effect,” or “Motion for an Order Confirming That the Stay Has Been Terminated.” The moving party must serve the debtor and the trustee and file a certificate of service. The motion may be accompanied by an *ex parte* motion for an expedited hearing.

Rule 4001-5 Pre-Confirmation Payments in a Chapter 13 Case

(a) **Payment by the Trustee.**

(1) **Conditions of Disbursements.** Without a court order, the trustee must disburse pre-confirmation payments under § 1326(a)(1) to a creditor holding a purchase money security interest in personal property and to a lessor of personal property if:

(A) funds are available;

(B) the creditor or lessor has, by the 14th day of the month prior to the trustee’s next regularly scheduled disbursement, filed a proof of claim with adequate proof of a security interest attached setting forth the amount of the debtor’s contractual monthly payment obligation;

(C) either the plan proposes that the claim will be paid by the trustee or the debtor was not current in the debtor’s contractual monthly payment obligation when the petition was filed;

(D) the plan proposes that the debtor will retain possession of the secured or leased property; and

(E) a stay is in effect as to the secured or leased property.

If any objection to the proof of claim is filed and the proof of claim is properly filed, the trustee must escrow the amount of distributions on such proof of claim until further order of the court.

(2) **Timing of Disbursement.** The trustee's disbursements must be made monthly until an order of confirmation is entered.

(3) **Amount of Disbursement.** Unless the court orders otherwise for good cause shown under § 1326(a)(3), the disbursements must be 30% of the debtor's contractual monthly payment obligation to each secured creditor and 100% of the debtor's contractual monthly payment obligation to each personal property lessor. If the trustee does not have sufficient funds on hand to make all of the required disbursements, the disbursements must be made pro rata based on the monthly payments required.

(4) **Dismissal or Conversion.** Upon dismissal or conversion of the case, the trustee must make the required pre-confirmation disbursements before disbursing any funds to the debtor.

(5) **Trustee's Statutory Fee.** For all pre-confirmation disbursements, the trustee will be awarded and paid a fee equal to the applicable percentage fee established by the United States trustee.

(b) **Direct Payment by the Debtor.**

(1) **Conditions of Payment.** Without a court order, the debtor must make pre-confirmation payments under § 1326(a)(1) to a creditor holding purchase money security interests in personal property and to a lessor of personal property if:

(B) the debtor was current in the contractual monthly payment obligation when the petition was filed;

(C) the plan proposes that the claim will be paid directly by the debtor;

(D) the plan proposes that the debtor will retain possession of the secured or leased property; and

(E) a stay is in effect as to the secured or leased property.

(2) **Timing and Amount of Payment by the Debtor.** The debtor's payments must be made as required by the debtor's contract.

(c) **Amended Proof of Claim.** Within 28 days after confirmation, a creditor receiving any pre-confirmation payments must file an amended proof of claim clearly showing the application of the pre-confirmation payments.

A married debtor not filing a joint petition who claims property as exempt under tenants by the entirety law must state whether each debt listed on schedules D, E and F is a joint debt with the non-filing spouse or is the sole debt of the debtor. Rule 4004-1 Domestic Support Certification in a Chapter 13 Case

In a chapter 13 case, within 28 days after the trustee files a notice of the completion of all payments under the plan under Local Rule 2015-3(a), the debtor must file a completed form "Certification Regarding Domestic Support Obligations," available on the court's website. This certification must state whether the debtor has been the subject of any domestic support obligation and if so, whether the debtor is current in that obligation as required by § 1328(a) to obtain a discharge. The debtor must serve the certification on any domestic support obligation creditor and file a certificate of service. If the debtor fails to file this certification, the case may be closed without a discharge, without prejudice to the debtor's right to file a motion to reopen under Local Rule 5010-1 to file the certification in order to obtain a discharge.

Comment

This Local Rule eliminates the reference to chapter 13 cases filed after October 17, 2005, and is otherwise substantively unchanged.

Rule 4008-1 Reaffirmation Agreements and the Presumption of Undue Hardship

(a) Reaffirmation with Attorney Certification. If the debtor's attorney certifies that a reaffirmation agreement does not impose an undue hardship on the debtor, neither a motion nor court action is required. The court will not act on a motion to approve the reaffirmation

agreement in these circumstances. This subpart (a) applies even if it appears that a presumption of undue hardship may apply.

(b) Reaffirmation without Attorney Certification. If a presumption of undue hardship under § 524(m) applies and the debtor’s attorney has not certified that the agreement does not impose an undue hardship, the debtor must file a separate motion for approval of the reaffirmation agreement. The motion must be accompanied by the papers specified in § 524(k)(1) and F.R.Bankr.P. 4008. The motion must be titled and filed in the ECF event, “Motion for Approval of Reaffirmation - Presumption of Undue Hardship Applies.” The court will schedule a hearing with notice to the debtor and the creditor.

(c) Reaffirmation by a Debtor Not Represented by an Attorney in the Case. If a reaffirmation agreement is filed and the debtor is not represented by an attorney in the bankruptcy case, the debtor must sign a motion for approval of the reaffirmation agreement under § 524(k)(7), attached as Part E. The reaffirmation agreement, including Parts A-E, must be filed in ECF with the event “Reaffirmation Agreement by Debtor Not Represented by An Attorney.” The court will schedule a hearing with notice to the debtor and the creditor. The creditor may file the motion even though the motion is signed by the debtor.

(d) Reaffirmation by a Debtor Represented by an Attorney Who Did Not Negotiate the Agreement. The requirements and procedures of subpart (c) of this rule apply to a reaffirmation agreement by a debtor represented by an attorney who did not negotiate the agreement.

Rule 5071-1 Adjournment of a Pretrial Conference, Hearing or Trial

Each judge's adjournment procedures are available on the court's website and must be followed as posted. If a judge has not posted adjournment procedures, the following procedures apply:

(a) **Pretrial Conferences and Oral Arguments on Motions.** The court will normally grant one adjournment of a pretrial conference or oral arguments on a motion upon a written stipulation of all interested parties. Where the interested parties stipulate, the court will consider further adjournments only upon a showing of good cause. Where the interested parties do not stipulate, the party requesting an adjournment must file a motion establishing good cause.

(b) Evidentiary Hearings or Trials. The court will consider an adjournment of an evidentiary hearing or a trial only on a motion establishing good cause or a stipulation of all parties submitted at least 3 Business Days before the hearing or trial. A motion must state whether opposing counsel objects to the requested adjournment.

(c) Submission of an Order. A proposed order adjourning the conference, the hearing or the trial must be submitted and must provide a blank space for the new date and time.

(d) Procedure Upon Adjournment. After entry, the movant must immediately serve the order on all interested parties whose counsel are not ECF Filers and file a certificate of service. The notice of use, sale or lease must be served by the trustee or debtor-in-possession as the case may be. The notice must include a statement that the deadline for filing an objection is 14 days from the date the notice is served. Neither a court proceeding nor an order is

Rule 7016-1 The Joint Final Pretrial Order and the Preparation of Exhibits

(a) Duty to Prepare Proposed Joint Final Pretrial Order. If the court orders the parties to prepare a proposed joint final pretrial order, it must be prepared in accordance with this rule. In a contested matter, the movant will be considered the plaintiff for purposes of this rule and the court will designate the other parties responsible to participate. Counsel for plaintiff must:

- (1) convene a conference for all parties to confer and collaborate in formulating a concise proposed joint final pretrial order;
- (2) compile and submit the proposed order; and
- (3) file a stipulation to the entry of the proposed order signed by all parties.

If the plaintiff is without counsel, the defendant's counsel must perform these obligations. Unless the court orders otherwise, the deadline to file the stipulation and to submit the proposed order is 7 days before the final pretrial conference or, if no final pretrial conference is scheduled, 7 days before the hearing or trial. When entered, the order supersedes the pleadings and governs the course of trial unless modified by further order. The pretrial order must not be a vehicle for adding claims or defenses.

(b) **Contents of Order.** The proposed joint final pretrial order must contain, under the following numbered and captioned headings, the following:

(1) **Jurisdiction.** The parties must state the basis for bankruptcy court jurisdiction, whether the matter is core and whether jurisdiction is contested by any party.

(2) **Plaintiff's Claims.** The statement of the claim or claims of plaintiff must include legal theories.

(3) **Defendant's Claims.** The statement of the claim or claims of defendants or third parties must include legal theories.

(4) **Stipulation of Facts and Law.** The parties must state, in separately numbered paragraphs, all uncontested facts and all undisputed points of law.

(5) **Issues of Fact to be Litigated.**

(6) **Issues of Law to be Litigated.**

(7) **Evidence Problems Likely to Arise at Trial.** Each party must state its objections to exhibits and to the use of deposition testimony, including the objections required under F.R.Civ.P. 26(a)(3)(B). The parties must list all motions *in limine* of which each party is aware.

(8) **Witnesses.** Each party must separately list all witnesses whom that party will call and all witnesses whom that party may call. A party may, without further notice, call a witness listed by another party as a "will call" witness. The list must state whether the witness is an expert and whether testimony will be offered by deposition. Only listed witnesses will be permitted to testify at trial, except for rebuttal witnesses whose testimony could not be reasonably anticipated before trial, or except for good cause shown.

(9) **Exhibits.** Each party must number and list each exhibit with appropriate identification according to subpart (e) below. Only listed exhibits will be considered for admission, except for rebuttal exhibits that could not be reasonably anticipated before

trial, or except for good cause shown. The parties are encouraged to agree upon a joint list of exhibits, without duplicates, to be admitted.

(10) Objections to Exhibits. Each party must state its objections to the other party's listed exhibits. Objections not stated in the proposed order may be deemed waived and exhibits not objected to may be admitted into evidence.

(11) Damages. The parties must itemize all claimed damages and must specify damages that can be calculated from objective data. The parties must stipulate to those damages not in dispute.

(12) Trial.

(A) Jury or non-jury.

(B) Estimated length of trial.

(13) Settlement or Mediation. Counsel or a party without counsel must state that they have conferred and considered the possibility of settlement, giving the most recent place and date, and state the current status of negotiations and any plans for further discussions. They may request the court to schedule a settlement conference or mediation.

(14) Filing of Trial Briefs, Proposed Findings of Fact and Requests for Jury Instructions. Unless the court otherwise orders, at least 3 Business Days before trial, the parties must file trial briefs, proposed findings of fact and conclusions of law in a non-jury case or requests for instructions in a jury case.

(15) Additional Requirements. A judge, in an appropriate case, may add requirements to the proposed joint final pretrial order or may suspend application of this rule in whole or in part.

(16) Juror Costs Attributable to Parties. The court may assess juror expenses under E.D. Mich. LR 38.2.

(c) **Failure to Cooperate.** For failure to comply with the requirements of this rule or with the terms of the joint final pretrial order, the court may dismiss claims, enter a default judgment, refuse to permit witnesses to testify or to admit exhibits, assess costs and expenses including attorney fees or impose other appropriate sanctions.

(d) **Pre-marking and Exchange of Documentary Exhibits.** If there has been no final pretrial conference and at least one week's notice of the trial or the evidentiary hearing has been provided to counsel, then at least 1 Business Day prior to the trial or evidentiary hearing, counsel must arrange with the judge's court reporter or electronic court recorder to have all documentary exhibits marked and must provide copies of all exhibits to opposing counsel. In any event, all proposed exhibits and an exhibit list must be provided to the court at the start of the trial or hearing and an extra copy of each exhibit must be available for witnesses' use during testimony. Unless the court orders otherwise, each party will be responsible for the care and custody of the party's own exhibits.

(e) **Exhibit Identification.** Exhibits must be marked using numbers for the plaintiff or movant and letters for the defendant or respondent. If the defendant has more than 26 exhibits, the defendant may use exhibit numbers starting, for example, with 101 or 1001. Each separate document must be separately marked. Grouping exhibits is strongly discouraged.

Subpart (b)(7) has been changed to clarify obligations of each party and to conform to the Local Rules for the United States District Court for the Eastern District of Michigan.

Rule 7016-2 Mediation

(a) **The Mediation Process.** Upon its own initiative, the stipulation of the parties or a motion filed under Local Rule 9014-1, the court may order the parties to engage in mediation. If the court orders mediation on its own initiative, a party may within 7 days file a motion under Local Rule 9014-1 objecting to mediation.

(1) If mediation is stipulated or ordered, the parties must choose one mediator from the court's panel of mediators. If that mediator is not available or has a conflict that the parties do not waive, the parties must choose another mediator. The parties may request the court's assistance in selecting a mediator if they cannot agree.

(2) When a mediator is chosen, the parties must submit a proposed mediation order for entry, unless the court has already entered a mediation order. If a mediation order has not been entered by the time of the mediation, the mediator must submit a proposed mediation order. A form “Mediation Order” is available on the court’s website.

(3) Mediation may be ordered at any time during the case. Mediation must be completed within 14 days after the entry of the mediation order or within such other time as the court has fixed in the mediation order.

(4) Unless otherwise ordered by the court, each of the parties to the mediation process must pay \$200.00 to the mediator before or at the commencement of the mediation session. The mediator, with the consent of the parties, may retain professionals to assist the mediator. The expenses of such professionals must be equally paid by all parties to the mediation and may not exceed \$2,000.00, unless otherwise ordered by the court.

(5) All proceedings and writings incident to the mediation will be privileged and confidential, and must not be reported or placed in evidence. No party will be bound by mediation unless a settlement is reached. If a settlement is reached, the agreement must be reduced to writing. If necessary, the parties must file a motion for approval of the settlement under F.R.Bankr.P. 9019 within 14 days after the agreement is fully executed.

(6) The mediator will have the duty and authority to establish the mediation process, including the submission of documents, the attendance of parties with authority to settle, the procedure governing the mediation and a schedule for the parties to act upon the mediator’s recommendation. The mediator will have no obligation to make any written recommendation, but may provide the attorneys for the parties or unrepresented parties with a written settlement memorandum. Such memorandum will be governed by the first sentence of subpart (a)(5) and must not be filed or made available to the court. The mediator must not be called as a witness.

(7) Within 7 days after the conclusion of the mediation, the mediator must file a certification (A) demonstrating that there has been compliance with the mediation

requirements of this rule, and (B) stating whether a settlement was achieved, without referring to any substantive matters involved in the mediation.

(b) The Mediation Panel.

(1) The court will appoint mediators to the mediation panel as necessary from time to time. The court may select one or more chairpersons to assist the court with the administration of the mediation panel.

(2) Before serving as a mediator, a professional must have participated in a court-approved training seminar in alternative dispute resolution and must provide to the court a certificate of such training. The clerk will maintain a list of such seminars.

(3) A list of the mediators on the panel is maintained by the clerk and is available on the court's website.

(4) Individuals who wish to serve on the mediation panel must inform the clerk in writing and must provide the clerk with information that the applicant or the court deems pertinent.

(5) The court may meet periodically with the panel of mediators or its chairpersons as necessary to discuss improving the mediation process.

If no timely objection is filed, the plaintiff must promptly file a certificate of no response and submit the agreed proposed dismissal order. If a timely response is filed, the court will set the matter for hearing. An original signature from a pro se party is not necessary to authorize the filing of a joint statement to dismiss; a fax, e-mail or written signature or consent is sufficient.

 - (iii) describe with particularity the services rendered; and

- (6) an itemized statement of expenses for which reimbursement is sought.

In addition, the application must include a proposed order awarding the fees and costs and ordering payment, and a certificate of service.

- (b) Any party opposing the allowance or payment of the fees and costs will have 14 days from service of the application to object.

- (c) If no objection is timely filed, the court may grant the application without a hearing.

- (d) Any objection must specify in detail the nature and basis of the objection and the amount not disputed. Pending resolution of the objection, the court may enter an order allowing and ordering the payment of the unobjected fees and costs.

- (e) The initial hearing on the application will not be an evidentiary hearing. If the court determines an evidentiary hearing is needed, the court will schedule the evidentiary hearing at the initial hearing.

(d) Investment of Registry Funds.

- (1) Where, by order of the court, funds on deposit with the court are to be placed in some form of interest-bearing account, the CRIS, administered by the Administrative Office of the United States Courts under 28 U.S.C. § 2045, will be the only investment mechanism authorized.
- (2) The Director of Administrative Office of the United States Courts is designated as custodian for CRIS. The Director or the Director's designee will perform the duties of

custodian. Funds held in the CRIS remain subject to the control and jurisdiction of the court.

(3) Money from each case deposited in the CRIS will be “pooled” together with those on deposit with Treasury to the credit of other courts in the CRIS and used to purchase Government Account Series securities through the Bureau of Public Debt, which will be held at Treasury, in an account in the name and to the credit of the Director of Administrative Office of the United States Courts. The pooled funds will be invested in accordance with the principals of the CRIS Investment Policy as approved by the Registry Monitoring Group.

(4) An account for each case will be established in the CRIS titled in the name of the case giving rise to the investment in the fund. Income generated from fund investments will be distributed to each case based on the ratio each account’s principal and earnings has to aggregate principal and income total in the fund. Reports showing the interest earned and the principal amounts contributed in each case will be prepared and distributed to each court participating in the CRIS and made available to litigants and/or their counsel.

(e) Deduction of Fees

(1) The custodian is authorized and directed by this rule to deduct the investment services fee for the management of investments in the CRIS and the registry fee for maintaining accounts deposited with the court.

(2) The investment services fee is assessed from interest earnings to the pool according to the court’s Miscellaneous Fee Schedule and is to be assessed before a pro rata distribution of earnings to court cases.

(3) The registry fee is assessed by the custodian from each case’s pro rata distribution of the earnings and is to be determined on the basis of the rates published by the Director of the Administrative Office of the United States Courts as approved by the Judicial Conference of the United States.

(f) Transition from Former Investment Procedure

(1) Parties not wishing to transfer certain existing registry deposits into the CRIS may seek leave to transfer them to the litigants or their designees on proper motion and approval of the judge assigned to the specific case.

Comment

Subparts (c), (d), (e) and (f) were added to incorporate former Administrative Orders 13-02 and 13-05.

Rule 8001-1 Appellate Practice

(a) **Appeals.** All appeals to the United States District Court for the Eastern District of Michigan are filed with the Bankruptcy Court.

(b) **Transmitting a Bankruptcy Matter to the District Court.** When filing a notice of appeal or a motion for leave to appeal, the filing party must also file with the Bankruptcy Court the form, “District Court Bankruptcy Matter Civil Case Cover Sheet” (available on the court’s website).

Comment

This Local Rule was amended to clarify that appeals to the United States District Court are filed with the Bankruptcy Court. The revisions apply only to appeals filed after the effective date of the amendments.

Rule 9001-1 Definitions

(a) **Large Bankruptcy Cases.** Upon a motion or the court’s own initiative, the court may enter an order without a hearing designating a chapter 11 case as a “Large Bankruptcy Case.”

(b) **First Day Motion.** A “First Day Motion” is a motion filed within the first 14 days after an order for relief in a chapter 11 case and designated as such under Local Rule 9013-1. It is a motion that the debtor believes is so important to the initial stages of the case that the best interests of the bankruptcy estate warrant granting a hearing on the motion upon shortened or limited notice.

(c) **ECF Terms.** The terms defined in the court’s ECF Procedures have the same meanings herein.

(d) **Business Day.** A Business Day is a day when the court is open for business. A Business Day does not include a Saturday, a Sunday, a legal holiday such as New Year's Day, Birthday of Martin Luther King, Jr., Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, Christmas Day, any other day appointed as a holiday by the President or the Congress of the United States, or by the State of Michigan, or a day on which weather or other conditions have made the Clerk's Office inaccessible.

Rule 9004-1 The Caption and Filing of Papers

(a) **Caption.** The caption on a paper must substantially conform to the applicable official form (if any) and must also state:

(1) the chapter number under which the petition is pending;

(2) the judge to whom the case is assigned;

(3) a concise statement of the nature of the document and:

(A) for a motion, identification of the movant and specific relief sought; and

(B) for a response, identification of the respondent and the title of the motion to which the response is directed, including the name of the movant and the specific relief sought.

(b) **Paper Filings.** When a Paper Filing is filed with the clerk of the court, such filing may only be made consistent with the ECF Procedures. The paper, other than a proof of claim, may use only one side of a page and under the signature line must state any attorney's name, mailing address and telephone number and the name of the client. The pages, excluding exhibits, must be numbered.

(c) **Use of Forms.** The use of a form pleading that contains extraneous factual allegations or legal arguments not applicable to the matter before the court may subject the individual who submits it to sanctions under F.R.Bankr.P. 9011. Factual allegations in pleadings must be made with the proper respect for the applicable rules regarding relevance, specificity and accuracy.

Comment

This Local Rule was renumbered and revised to refer to paper pleadings filed with the Court as “Paper Filings” rather than “Traditional Filings.”

Rule 9006-1 Reduction or Enlargement of Time

(a) Motion for Extension of Time Under F.R.Bankr.P. 1007(c) or F.R.Bankr.P. 3015(b).

(1) Before filing a motion for extension of time to file papers under F.R.Bankr.P. 1007(c) or to file a chapter 13 plan under F.R.Bankr.P. 3015(b), the movant must request the concurrence of the trustee, if any, or if no trustee has been appointed, the United States trustee.

(2) The motion must state:

(A) the date set for the meeting of creditors;

(B) the date on which the movant intends to file the papers;

(D) that an objection to the relief requested in the motion must be filed within 3 Business Days of filing of the motion; and

(E) the efforts made by the moving party to obtain concurrence.

(3) The deadline to file an objection is 3 Business Days after the motion is filed. Upon the filing of an objection, the court will schedule an expedited hearing with notice to the movant and the objecting party.

(4) The movant may submit a proposed order granting the relief requested after the movant files a certification that no response was timely filed.

(5) If the movant obtains concurrence under subpart (1), the movant may file a stipulation for the entry of a proposed order and submit a proposed order for entry by the court.

(b) Any Other Reduction or Enlargement of Time. Unless prohibited by F.R.Bankr.P. 9006 and to the extent otherwise permitted by the Code and the Federal Rules of Bankruptcy Procedure, a party may file a motion for an *ex parte* order reducing or enlarging the time for a party to take any action or file any paper. Prior to making the motion, if the motion is made in an adversary proceeding or a contested matter, the movant must attempt to obtain the acquiescence of opposing counsel, unless unduly burdensome. The movant must also immediately notify opposing counsel personally or by telephone of the entry of the order and must serve the order on any opposing counsel who does not receive service by ECF and file a certificate of service. A party aggrieved by such an order may move for a dissolution of the order.

Rule 9010-1 Appearance Before the Court and at a Meeting of Creditors

(a) Appearance by Attorney.

(1) Except as otherwise provided by law, appearance before the court on behalf of a person or entity may be made only by an attorney admitted to the bar of, or permitted to practice before, the United States District Court for the Eastern District of Michigan, under E.D. Mich. LR 83.20. A corporation, partnership or other entity other than an individual may not file a petition or other paper, nor appear as a debtor, plaintiff, defendant or other party in an adversary proceeding, unless it is represented by an attorney duly admitted to, and in good standing with, the bar of the United States District Court for this district. The following do not constitute the practice of law for purposes of these rules:

- (A)** the signing or filing of a request for notice;
- (B)** the signing or filing of a proof of claim or a ballot;
- (C)** the attendance and participation at a meeting of creditors or of an official committee;

(D) the signing or filing of a pleading or paper resolving an objection to a proof of claim;

(E) the signing or filing of a stipulation adjourning a hearing or extending a deadline; or

(F) the filing of an appearance under Local Rule 2002-3.

(2) An attorney appearing before the court is expected to have read and to be familiar with the Federal Rules of Bankruptcy Procedure, these rules, the ECF Procedures, the rules of the United States District Court for the Eastern District of Michigan and the Civility Principles. Unless otherwise instructed by the court, counsel must:

(A) at the onset of the hearing, place the attorney's name on the record and state the name of the party that the attorney represents;

(B) stand when speaking or when addressed by the judge;

(C) speak in the vicinity of a microphone;

(D) refrain from confrontation or colloquy with opposing counsel;

(E) address all persons by their surnames;

(F) state all objections concisely and with specificity; and

(G) be fully prepared and knowledgeable of the issues and matters to be addressed.

(b) Required Appearance by Debtor's Attorney or Firm of Record. The debtor's attorney or firm of record must, except as provided in subpart (c) below, attend and represent the debtor at the meeting of creditors, any hearing on any reaffirmation agreement and all hearings within the scope of representation. The appearing attorney must have sufficient familiarity and knowledge of the case and its prior proceedings as to permit informed discussion and argument.

(c) **Attorney Appearing on Behalf of Attorney of Record.** An attorney whose appearance in a particular hearing or a meeting of creditors is made at the request of the debtor’s attorney of record must file prior to such appearance a written notice of special appearance and a completed form “Statement of Attorney for Debtor(s) Under F.R.Bankr.P. 2016(b),” available on the court’s website. At the time of appearance, the attorney must furnish, on request, a copy of the notice of appearance that evidences the fact of filing. An attorney making a special appearance will be accountable for adequately representing the interests of the person or entity on whose behalf the appearance is made.

(d) **Local Counsel.**

(1) A member of the bar of this court who appears as an attorney of record before the court and who is not a member of the bar of the State of Michigan must specify as local counsel a member of the bar of this court with an office in Michigan. Local counsel must enter an appearance and have the authority and responsibility to conduct the case if non-local counsel does not do so.

(2) A party need not engage local counsel to sign or file a paper resolving a contested matter or an adversary proceeding.

(e) **Disclosure of Scope of Representation of Debtor’s Attorney.** The attorney for a debtor must file a completed form “Statement of Attorney for Debtor(s) Under F.R.Bankr.P. 2016(b),” available on the court’s website, in which the scope of the attorney’s appearance and representation must be accurately stated. The “Statement of Attorney for Debtor(s) Under F.R.Bankr.P. 2016(b)” must be countersigned by the debtor.

(f) **Scope of Appearance of Debtor’s Attorney in a Chapter 9, 11, 12 or 13 Case.** The attorney for a debtor under chapter 9, 11, 12 or 13, is presumed to appear for the case and all proceedings in the case, unless otherwise ordered by the court, and has a continuing duty to represent the debtor in all proceedings in the bankruptcy court, including relief from automatic stay motions, hearings on claims or adversary proceedings, until the occurrence of the earliest of:

(1) dismissal of the case;

(2) closing of the case; or

(3) the entry of an order allowing the attorney to withdraw from further representation of the debtor.

(g) Scope of Appearance of Debtor's Attorney in a Chapter 7 Case. In a case filed under or converted to chapter 7, the scope of appearance of the debtor's attorney will be as disclosed in the F.R.Bankr.P. 2016(b) statement, as may be amended from time to time. Notwithstanding any exclusions from the scope of representation by debtor's attorney, unless a withdrawal is approved under this rule:

(1) all papers required to be served on debtor's counsel pursuant to any court order or applicable rule, must be served on debtor's attorney of record, and

(2) the debtor's attorney of record will be the first point of contact for inquiries regarding the bankruptcy case directed to the debtor by the court, the trustee, and any interested party.

(h) Duration of Appearance in Adversary Proceedings. An attorney's appearance in an adversary proceeding continues until entry of:

(1) a final order or judgment disposing of all claims by or against the party the attorney represents; or

(2) a withdrawal or substitution order.

(i) Withdrawal of Attorney.

(1) An attorney who has appeared on behalf of a party may not withdraw without permission of the court. A request for permission to withdraw may be made by stipulation between the attorney and the party or upon motion filed under Local Rule 9014-1. Immediately upon the entry of an order permitting the attorney's withdrawal, the attorney must serve it on parties in interest, file a certificate of service, and provide the party's contact information and telephone number to opposing counsel (for withdrawals in an adversary proceeding) or the trustee (for withdrawals in a bankruptcy case).

(2) Except as required under subpart (i)(1), no order is required for a consensual substitution of attorney that is signed by the represented party, the withdrawing attorney

and the substituting attorney. A notice of substitution of attorney must be filed and served on the trustee and any interested parties involved in pending litigation.

(j) Required Approval for Employment. If an order approving the employment of the withdrawing attorney under § 327 or § 1103 was required, any new attorney must also comply with F.R.Bankr.P. 2014; the employment will not be deemed approved merely by filing a notice of substitution of attorney.

Comment

Subpart (b) was revised to provide that the debtor's attorney must represent the debtor at any hearing on a reaffirmation agreement. Subpart (d) is new and addresses local counsel requirements. Subparts (g) and (i) were revised and subpart (h) was added to address additional issues regarding the scope of an attorney's representation. The revisions will apply only to cases filed after the effective date of the amendments.

Rule 9010-2 Restriction on the Law Practice of a Former Law Clerk

(a) A Former Law Clerk for a Specific Bankruptcy Judge. A former law clerk for a judge in this district may not appear before that judge for two years after such service or participate in any capacity in any case that was pending before that judge during the clerkship.

(b) A Former Law Clerk for the Court. A former law clerk for the court, such as a shared law clerk, may not appear before any judge in the district for six months after such service or participate in any capacity in any case that was pending during the clerkship.

(c) A Former Law Clerk's Firm. The prohibitions of subparts (a) and (b) do not extend to an individual or entity that employs a former law clerk, nor to its partners, members or associates.

Comment

This Local Rule was renumbered but is substantively unchanged.

Rule 9011-1 Sanctions

For failure to comply with any applicable rules, sanctions may be imposed upon: (1) any counsel appearing before the court; (2) any person appearing without counsel; (3) any person acting in a fiduciary capacity in a case or proceeding; and (4) other professional persons whose employment was approved by the court. Sanctions in the form of an admonition, the assessment

of costs or any other sanction deemed appropriate may be imposed upon notice and opportunity for hearing when it is determined that such non-compliance has obstructed the effective conduct of the business of the court. These sanctions are in addition to the sanctions that the court may impose upon counsel under E.D. Mich. LR 11.1, the Federal Rules of Bankruptcy Procedure or the Federal Rules of Civil Procedure.

Comment

This Local Rule was renumbered but is substantively unchanged.

9013-1 First Day Motions

(a) Filing Requirements. The title of each First Day Motion and of each proposed order granting a First Day Motion must contain the words “First Day.” When filing the motion through ECF, the debtor’s counsel must select the prefix “First Day.” The debtor’s counsel must promptly notify the judge’s courtroom deputy clerk that First Day Motions have been filed. The term “First Day Motion” must also be included on all exhibits, budgets, proposed orders, affidavits and all other papers that the debtor files in support of a First Day Motion.

(b) Service of Motion. A First Day Motion and all related papers must be served on the United States trustee, all secured creditors, the creditors included on the list filed under F.R.Bankr.P. 1007(d) and any adverse party relative to the relief requested in the First Day Motion. This service must be completed within 24 hours after the First Day Motion is filed even if the hearing on the First Day Motion has not yet been scheduled by the court. First Day Motions must also be served by:

- (1) transmission to a Registered Filer or User consistent with F.R.Bankr.P. 9036 and ECF Procedure 4(e);
- (2) hand delivery;
- (3) delivery by overnight delivery service;
- (4) facsimile transmission to the extent that facsimile number(s) are available; or
- (5) electronic mail to the extent that electronic mail address(es) are available.

The movant must promptly file a certificate of service.

(c) **Scheduling a Hearing.** The movant is not required to file a separate motion for an expedited hearing on a First Day Motion. The movant must submit a proposed order scheduling the First Day Motions for hearing, leaving blank the hearing date and time. As expeditiously as possible, the court will determine whether each motion qualifies as a First Day Motion and will enter an order scheduling a prompt hearing on those that do. The order may specify the means and deadline for service of the notice of hearing. The movant must serve the order scheduling the hearing on the parties and by the means identified in subpart (b) and file a certificate of service.

Comment

Subpart (b)(5) is new and provides that First Day Motions may be delivered by electronic mail in addition to the other enumerated means of delivery. Note, however, that delivery of a copy by electronic mail is not a substitute for official service under F.R.Bankr.P. 9014(b) or 7004. This Local Rule is otherwise substantively unchanged.

Rule 9013-2 Fixed Hearing Dates in a Large Bankruptcy Case

(a) Upon motion of the debtor, the court may enter an order establishing fixed dates and times as the scheduled hearing date and time for consideration of all motions and contested matters in a Large Bankruptcy Case.

(b) If the court establishes fixed dates, the following procedures will apply unless the court orders otherwise:

(1) any notice of an opportunity to object must conspicuously contain above the title of the notice the date and time that the hearing will be held in the event that an objection is filed in accordance with applicable rules;

(2) any motion or contested matter filed and properly served in accordance with applicable rules and as to which the applicable response time will elapse at least 3 Business Days before a fixed hearing date, may be set for hearing on such a fixed date;

(3) if the requisite time period set forth in Local Rule 9014-1(b)(1) has passed, the movant may file a certificate of no response and then must submit a proposed order and promptly notify the court that a hearing on the motion is unnecessary;

(4) debtor's counsel must file and serve on all affected parties at least 7 days before the hearing a list of all matters scheduled to be considered by the court and file a certificate of service. The list must set forth all motions and responses and whether the matter is resolved, disputed or adjourned;

(5) if a party intends to present a proposed order at the hearing different from the proposed order attached to the motion, debtor's counsel must state on the list filed in accordance with subpart (b)(4) above that a different proposed order will be presented for entry;

(6) debtor's counsel together with any affected party or parties may, without leave of the court, unless the court orders otherwise, adjourn any matter to a subsequent fixed hearing date. If a matter is adjourned, debtor's counsel must immediately update the list filed in accordance with subpart (b)(4) above; and

(7) upon request, the court may allow counsel to participate in any hearing by telephone.

(c) The establishment of fixed dates for hearings does not preclude any party in interest from requesting and obtaining a different date for a hearing on a particular matter.

Comment

This Local Rule was renumbered but is substantively unchanged.

Rule 9013-3 Corporate Ownership Statement in a Contested Matter

Unless it has already done so, any corporation that is a party to a contested matter must file a statement that identifies any corporation that directly or indirectly owns 10% or more of any class of the corporation's equity interests. This statement should be filed as part of the corporation's first paper filed in the contested matter and separately bookmarked. A party must file a supplemental statement promptly upon any change in circumstances that this rule requires the party to identify or disclose. If the required statement is not included in the paper, and the court cannot readily determine that a statement was previously filed as required, the court will send a notice stating that the deficiency must be corrected in seven days or the paper will be stricken.

Comment

This Local Rule was renumbered and revised to incorporate former Guideline 8, which has been eliminated. The revision will apply only to contested matters commenced after the effective date of the amendments.

Rule 9014-1 Motion Procedure Generally

(a) Motion Required. Unless permitted otherwise by applicable rule, a party seeking relief must file a motion. This rule also applies to a fee application under Local Rule 2016-1(a) or (b). For purposes of this rule, an objection to a claim of exemption will be deemed to be a motion.

(b) Deadline For Response. Except as otherwise ordered by the court or applicable rule, the deadline to respond to any motion is 14 days after service (21 days after service for matters covered by F.R.Bankr.P. 2002(a)).

(c) Attachments. The moving party must attach the following to the motion:

(1) a copy of the proposed order, labeled as Exhibit 1;

(2) a completed form “Notice of Motion and Opportunity to Object,” available on the court’s website, labeled as Exhibit 2, stating that: the deadline to file an objection to the motion is within 14 days (21 days for matters covered by F.R.Bankr.P. 2002(a)) after service; objections must comply with F.R.Civ.P. 8(b), (c) and (e); and if an objection is not timely filed, the court may grant the motion without a hearing;

(3) a brief, when required under subpart (e), labeled as Exhibit 3;

(4) a certificate of service showing service on those parties entitled to service under ECF Procedure 12(b), labeled as Exhibit 4;

(5) affidavits, labeled as Exhibit 5; and

(6) documentary exhibits, labeled as Exhibit 6.

(d) No Timely Response. If a response is not timely filed, the movant may file a certification of no response so stating, attaching thereto a copy of the original certificate of service, and may submit the proposed order. The movant may file a certification of no response only after the deadline for response has passed, including the addition of days to the deadline in

order to comply with F.R.Bankr.P. 9006(a) and 9006(f). The court may enter the submitted proposed order without a hearing. If the court decides not to enter the proposed order, the court will schedule a hearing with notice to the movant and the other parties that are entitled to notice, unless the court determines that a hearing is unnecessary to resolve the motion.

(e) Timely Response. If a response is timely filed, the court will schedule a hearing with notice to the movant and all respondents, unless the court determines that a hearing is unnecessary to resolve the motion.

(f) Briefing Requirements. A brief, not more than 25 pages in length, including footnotes and signatures, is required to be filed in support of and in opposition to the following:

- (1) a motion in an adversary proceeding;
- (2) a motion for relief from stay or abandonment in a chapter 11 case;
- (3) a motion for the appointment of a trustee or examiner in a chapter 11 case;
- (4) an objection to a claim of exemptions; or
- (5) a motion for payment of prepetition claims.

Unless ordered by the court, there is no requirement to file briefs in support of or in opposition to other types of motions.

A reply brief of not more than 7 pages in length, including footnotes and signatures, may be filed and served not less than 3 Business Days before the hearing on the motion.

A person seeking to file a longer brief may apply ex parte in writing setting forth the reasons.

(g) Rule Not Applicable. This rule does not apply to:

- (1) an objection to claim under Local Rule 3007-1;
- (2) a motion for reconsideration under Local Rule 9024-1(a);
- (3) a motion to amend an order or judgment under Local Rule 9024-1(b);
- (4) a motion to reinstate a dismissed case under Local Rule 9024-1(c);

- (5) a motion to reduce or enlarge time under Local Rule 9006-1, including for extension of time to file papers under Local Rule 9006-1(a);
- (6) a motion to withdraw the reference under F.R.Bankr.P. 5011(a);
- (7) a motion for leave to appeal under F.R.Bankr.P. 8001(b) and 8003;
- (8) a motion to dismiss under Local Rule 2003-1;
- (9) a motion to dismiss under Local Rule 1017-2;
- (10) a matter covered by Local Rule 1007-3(a) and (b), relating to credit counseling compliance;
- (11) a motion seeking approval of a reaffirmation agreement under Local Rule 4008-1;
- (12) an application to waive the filing fee;
- (13) an application to pay the filing fee in installments;
- (14) a motion to extend the stay under Local Rule 4001-4(a);
- (15) a motion to order the stay to take effect under Local Rule 4001-4(b);
- (16) a motion to reopen a case to file missing papers under Local Rule 5010-1;
- (17) a motion for a default judgment under Local Rule 7055-1 ;
- (18) a motion to file by Paper Filing under ECF Procedure 3(b); or
- (19) a motion for protective order under F.R.Bankr.P. 9037.

(h) Statement of Concurrence Sought. In an adversary proceeding, or in a bankruptcy case unless it is unduly burdensome, the motion must affirmatively state that concurrence of opposing counsel in the relief sought has been requested on a specified date and that the concurrence was denied.

(i) **Discovery Motions.** With respect to a matter relating to discovery to which F.R.Bankr.P. 7026 through 7037 apply, counsel for each of the parties must meet and confer in advance of the hearing in a good faith effort to narrow the areas of disagreement. The conference must be held a sufficient time in advance of the hearing so as to enable the parties to narrow the areas of disagreement to the greatest extent possible. It is the responsibility of counsel for the movant to arrange for the conference and, in the absence of an agreement to the contrary, the conference must be held in the office of the attorney nearest to the court in which the motion is pending.

(j) **Withdrawal of a Motion.** After a response has been filed, a motion may be withdrawn only upon stipulation of the moving and responding parties or a court order.

(k) **Evidentiary Hearings.** Unless the court otherwise orders, the initial hearing on a contested matter will not be an evidentiary hearing. The court may determine at the initial hearing whether an evidentiary hearing is necessary, and if so, will schedule it at that initial hearing. No further notice of the evidentiary hearing need be served.

Comment

Subpart (a) was revised to clarify that responses to motions are due 14 days after service (21 days for matters covered by F.R. Bankr.P. 2002(a)). Subpart (f) was modified to permit briefs up to 25 pages (rather than 20 pages) and reply briefs up to 7 pages (rather than 5 pages). This is to take account for the larger type size requirement of new subpart (h) of Local Rule 9029-1. Subpart (f)(5) is new and requires a brief in support of any motion for payment of prepetition claims; this requirement was previously contained in Local Rule 4001-3. Subpart (k) is new and provides that unless the court orders otherwise, the initial hearing on a contested matter will not be an evidentiary hearing. The revisions apply only to matters filed after the effective date of the amendments. In addition subpart (g)(18) was revised to refer to paper pleadings filed with the Court as “Paper Filings” rather than “Traditional Filings.”

Rule 9015-1 Jury Trial Demand and Consent

(a) **In a Contested Matter or Adversary Proceeding Initiated in Bankruptcy Court.** A party who demands a jury trial in a contested matter or adversary proceeding initiated in the bankruptcy court must indicate in its jury trial demand whether it consents to the bankruptcy judge conducting the jury trial. Any other party has until 14 days after the later of (a) the service of a jury demand, or (b) the deadline to file an answer or other responsive pleading, to file a statement indicating whether it consents to the bankruptcy judge conducting the jury trial. Any

party that does not timely file a statement indicating that it does not consent to the bankruptcy judge conducting the jury trial will be deemed to have consented to the bankruptcy judge conducting the jury trial.

(b) In an Adversary Proceeding Removed from State Court in Which a Jury Trial Demand Was Timely Filed. In an adversary proceeding removed from state court in which a jury trial demand was timely filed, the jury demand need not be re-filed in this court to be effective. A party will be deemed to have consented to the bankruptcy judge conducting the jury trial unless, within 28 days after the removal, the party files a statement indicating that it does not consent to the bankruptcy judge conducting the jury trial.

(c) In an Adversary Proceeding Removed from State Court in Which a Jury Trial Demand Was Not Filed And the Time to File Has Not Yet Expired. In an adversary proceeding removed from state court in which a jury trial demand was not filed and the time to file a jury demand under applicable state law has not expired, the deadline to file a jury demand is 28 days after the removal. If a jury trial demand is filed, the parties' consents to the bankruptcy judge conducting the jury trial will be determined under the provisions of subpart (a).

(d) Motion to Withdraw the Reference or Motion to Strike Jury Demand. With respect to subparts (a), (b) and (c) above, if all parties do not consent to the bankruptcy judge conducting a jury trial, at the initial hearing on a contested matter, or at the initial status conference held in an adversary proceeding, the court may consider setting a deadline for the filing of a motion to withdraw the reference or a motion to strike the jury demand.

Comment

This Local Rule previously required that if a party did not consent to a jury trial conducted by the bankruptcy court, it must file a motion to withdraw the reference. Because the United States District Court frequently prefers to consider motions to withdraw the reference only after the case has progressed further, this Local Rule was revised to provide that the parties need only file a statement with the bankruptcy court indicating whether or not they consent to the bankruptcy court conducting a jury trial. If all parties do not so consent, then the bankruptcy court may consider at the initial hearing or status conference setting an appropriate deadline for the filing of a motion to withdraw the reference or a motion to strike the jury demand. The revisions apply only to adversary proceedings commenced or removed after the effective date of the amendments.

Rule 9019-1 Settlement

Counsel must notify the court immediately upon settlement of all or a part of an adversary proceeding or contested matter. Should the matter be settled only in part, the notification must state which part is settled and which is not. A proposed order of settlement must be presented within 21 days of the date the settlement occurs, which order must clearly state whether the matter is settled in whole or in part and, if only in part, which issue(s) have not been resolved. Failure to timely file an appropriate motion or stipulation to approve the settlement will be cause for dismissal.

Comment

This Local Rule was changed to provide additional time to submit settlement papers after the court has been notified of a settlement. The revisions apply only to settlements notified to the court after the effective date of the amendments.

Rule 9021-1 Entry of an Order or Judgment in a Contested Matter or Adversary Proceeding

(a) Procedure for the Entry of an Order or Judgment. An order or judgment may be entered by one of the following methods:

- (1)** upon notice to the parties, the court may prepare and enter an order or a Text Order;
- (2)** the court may at the hearing excuse presentment of a proposed order or judgment for approval;
- (3)** the court may enter a proposed judgment or order when a stipulation to its form is filed and if, in the court's determination, it conforms with the court's decision; or
- (4)** unless the court has excused presentment for approval, the prevailing party must file a proposed order or judgment with a notice that it will be submitted for entry if written objections are not filed within 7 days.

(A) If a written objection is not timely filed and served, the prevailing party must file a certification that no objections have been filed and must submit the proposed judgment or order. If the proposed judgment or order conforms with the decision, the court may then enter it. If the proposed judgment or order does not

conform with the decision, the court may schedule a hearing with notice to the parties.

(B) If an objection is filed, a proposed order must be attached. The court will schedule a hearing with notice to the parties, unless the court determines that a hearing is unnecessary to resolve the matter.

(C) If all filed objections to a proposed order are withdrawn, then the court may enter the proposed order or judgment under subpart (a)(4)(A).

(5) If the prevailing party fails to act within a reasonable time, any other party may prepare the proposed order or judgment and follow the appropriate steps for entry.

(b) Costs. The court may impose costs upon any party or attorney who:

(1) unreasonably withholds approval as to form;

(2) files a frivolous objection under this rule; or

(3) submits a proposed order that does not reasonably conform with the court's decision.

(c) Order Granting Different Relief. When the court enters an order granting relief different from that requested, the court may require the prevailing party to serve a copy of the order on all parties who are not served through ECF and who might be materially and adversely affected by the difference. In such case, the party serving the order must include, with the copy of the order, a notice that a request for a rehearing must be filed and served within a time period that will be fixed by the court. Unless the court orders otherwise, until such period is concluded, the order will be stayed insofar as it affects parties not present at the hearing of the underlying motion.

Comment

This Local Rule is substantively unchanged.

Rule 9024-1 Post-Judgment Motions

(a) A Motion for Reconsideration.

(1) **Deadline.** The deadline to file a motion for reconsideration of an order or judgment on the grounds that it was erroneous in fact or law is 14 days after the entry of the order or judgment.

(2) **No Response and No Hearing Allowed.** No response to the motion and no oral argument thereon will be allowed unless the court otherwise orders.

(3) **Grounds.** Generally, and without restricting the discretion of the court, a motion for reconsideration that merely presents the same issues ruled upon by the court, either expressly or by reasonable implication, will not be granted. The movant must not only demonstrate a palpable defect by which the court and the parties have been misled but also show that a different disposition of the case must result from a correction thereof.

(4) **Brief.** The movant must file a brief in support of the motion not exceeding 25 pages in length.

(5) **Application.** Subparts (a)(1)-(4) do not apply to a motion to reconsider an order disallowing a claim under F.R.Bankr.P. 3008.

(b) **A Motion to Amend an Order or Judgment.** If a motion is filed to amend an order or a judgment under F.R.Civ.P. 59(e), no response may be filed and no oral argument will be scheduled unless the court so orders.

(c) **A Motion to Vacate an Order Dismissing A Chapter 13 Case.** If a motion is filed to vacate an order dismissing a Chapter 13 case under F.R.Civ.P. 60(b)(6) on the grounds that the default that caused the dismissal has been or can be cured, no response may be filed and no oral argument will be scheduled unless the court so orders. A motion to reopen a closed case to file missing papers is covered by Local Rule 5010-1.

(d) **Other Post-Judgment Motions.** The following post-judgment motions must be filed under Local Rule 9014-1:

(1) a motion for relief from an order due to mistake, inadvertence, excusable neglect, newly discovered evidence, fraud, etc., under F.R.Civ.P. 60(b);

- (2) a motion for a new or reopened evidentiary hearing or trial under F.R.Civ.P. 59(a)-(c);
- (3) a motion to reopen a closed bankruptcy case under § 350, except as provided in Local Rule 5010-1; and
- (4) a motion to reconsider an order disallowing a claim under F.R.Bankr.P. 3008.

Comment

Subpart (a)(4) of this Local Rule was revised to permit briefs up to 25 pages (rather than 20 pages). This is to take account for the larger type size requirement of new subpart (h) of Local Rule 9029-1. Subpart (c) of this Local Rule was revised to refer more accurately to “vacation of an order dismissing a Chapter 13 case” rather than “reinstatement” of a dismissed case.

Rule 9029-1 Rules of Procedure

(a) **Rules of General Applicability.** The rules of procedure in cases and proceedings in this court will be as prescribed by the laws of the United States, the rules promulgated by the Supreme Court of the United States, any applicable rules of the United States Court of Appeals for the Sixth Circuit, any applicable Local Rules of the United States District Court for the Eastern District of Michigan, these rules and the court’s ECF Procedures.

(b) **Title and Authority.** These rules are promulgated under F.R.Bankr.P. 9029 and are referred to as the Local Rules of the Bankruptcy Court for the Eastern District of Michigan, cited as E.D. Mich. LBR ____-__.

(c) **References in These Rules.** In these rules, the United States Bankruptcy Code, 11 U.S.C. § 101 et seq., is referred to as the “Code.” References in these rules to any particular section of the United States Bankruptcy Code, 11 U.S.C. § 101 et seq., are “§ ____.” References in these rules to the Local Rules for the United States District Court for the Eastern District of Michigan are “E.D. Mich. LR ____.” References in these rules to the Federal Rules of Bankruptcy Procedure are “F.R.Bankr.P. ____.” References in these rules to the Federal Rules of Civil Procedure are “F.R.Civ.P. ____.” Within these rules, these rules are referred to as “Local Rule ____.” In these rules, the court’s Administrative Procedures for Electronic Case Filing are referred to as the “ECF Procedures.” References in these rules to any particular section of this court’s Administrative Procedures for Electronic Case Filing are “ECF Procedure

___.” Undefined capitalized terms in these rules that are defined in the court’s ECF Procedures have meanings set forth in the ECF Procedures.

(d) Procedural Orders in a Specific Case or Proceeding. A judge may issue orders governing matters of procedure not addressed by these rules.

(e) Suspension of the Local Rules. Upon notice and for cause in a particular case or proceeding, a judge may temporarily suspend the applicability of any of these rules.

(f) Prior Rules Superseded. These rules supersede all prior local rules and all prior administrative orders on the matters covered in these rules.

(g) References to Other Rules or Statutes. When these rules refer to the Federal Rules of Bankruptcy Procedure, the rules of the United States District Court for the Eastern District of Michigan or sections of the Code, they refer to such as they existed on the effective date of the last amendments to these rules. If the statute or rule referred to is re-codified, the reference in these rules will be deemed to be amended to track the re-codification. If these rules refer to an interim rule promulgated by the Judicial Conference of the United States and adopted by this court and that interim rule is subsequently adopted as part of the Federal Rules of Bankruptcy Procedure, the reference will then be deemed to that rule in the Federal Rules of Bankruptcy Procedure.

(h) Format and Type Size. All papers must be on 8 1/2 x 11 inch white paper of good quality plainly typewritten, printed, or prepared by a clearly legible duplication process, and double-spaced, except for quoted material and footnotes. Margins must be at least one inch on the top, sides, and bottom. Each page must be numbered consecutively. Except for standard preprinted forms that are in general use, type size of all text and footnotes must be no smaller than 10-1/2 characters per inch (non-proportional) or 14 point (proportional). This subpart does not apply to exhibits submitted for filing and documents filed in removed actions before removal from the state courts.

Guidelines

Guideline 1 Notifying the United States Trustee and the Clerk of First Day Motions

Before filing a chapter 11 case that is accompanied by First Day Motions, counsel for the debtor is encouraged to communicate with the United States trustee's office and the clerk's office. With respect to contact with the clerk's office, counsel should contact the clerk of the court. If the clerk is not available, contact may be made with the chief deputy clerk or the operations manager of the clerk's office. Counsel for the debtor may discuss any relevant issues in the case with the United States trustee and the clerk of the court.

The court strongly encourages the parties to discuss the following with the United States trustee's office:

- (1) the nature of the first day relief to be requested;
- (2) the debt structure of the business, including the public and trade debt;
- (3) description of the debtor's cash management system and issues under § 345;
- (4) issues that may be resolved by consent (*e.g.*, extensions of time to file schedules, adequate assurances of utility payments, wage and benefit payments up to statutory limitation(s), joint administration, necessity doctrine payments, professional employment issues, including conflicts and indemnification requests);
- (5) corporate governance issues;
- (6) collateral issues including Federal Trade Commission issues, taxing authority issues, Security and Exchange Commission issues, pension and other Department of Labor issues, Environmental Protection Agency and Michigan Department of Environmental Quality issues and insurance issues;
- (7) the status of any attempted out-of-court workout, including perceived impediments to a successful reorganization and whether there was an unofficial prepetition committee;

- (8) the number of creditors and any special needs due to the size of the case; and
- (9) the need for a noticing vendor for the notice of the meeting of creditors and any other notice requirement.

The court strongly encourages the parties to discuss the following with the clerk: (1) The number of creditors and any special needs due to the size of the case.

- (1) The need for a noticing vendor for the notice of the meeting of creditors and any other notice requirement.
- (2) The need for the availability of the clerk or staff outside of ordinary business hours.

The court strongly encourages the parties to discuss the following with Debtor's secured creditors in single asset real estate cases:

- (1) the nature of the first day relief to be requested;
- (2) the debt structure of the business, including the public and trade debt;
- (3) description of the debtor's cash management system and issues under § 345;
- (4) issues that may be resolved by consent;
- (5) corporate governance issues;
- (6) collateral issues including Federal Trade Commission issues, taxing authority issues, Security and Exchange commission issues, pension and other Department of Labor issues, Environmental Protection Agency and Michigan Department of Environmental Quality issues and insurance issues; and
- (7) the status of any attempted out-of-court workout, including perceived impediments to a successful reorganization and whether there was an unofficial prepetition committee.

Guideline 2 Expedited Formation of Committee in a Large Bankruptcy Case

In Large Bankruptcy Cases, the United States trustee's office is encouraged to appoint a committee of creditors within 3 Business Days after receiving the information from the debtor required by Local Rule 2003-3, provided that creditors are willing to serve in accordance with § 1102.

Guideline 3 Missing Papers

The clerk will not issue a discharge if the debtor has not filed:

- (a) Official Form 23 - Debtor's Certification of Completion of Instructional Course Concerning Personal Financial Management, as required by F.R.Bankr.P. 1007(b)(7) and (c); and
- (b) in a Chapter 13 case, Debtor's Certification Regarding Domestic Support Obligations, as required by Local Rule 4004-1.

Guideline 4 Waiver of Filing Fee

An application to waive the filing fee must be filed on the official form. The court will review all such applications in chambers. The court may deny an application without a hearing. If the court schedules a hearing, the court will give notice to the debtor and the trustee.

Guideline 5 Tax Return Compliance

A motion under §§ 521(j), 1307(e) or 1308 must be filed under Local Rule 9014-1.

Guideline 6 Entry of a Discharge in an Individual Chapter 11 Case

11 U.S.C. § 1141(d)(5) provides that in an individual chapter 11 case, a discharge is entered after the completion of all payments under the confirmed plan and after the court makes the findings required by § 1141(d)(5)(C). Rather than await those events to close the case, which may take several years, the Court will close such a case upon plan confirmation and resolution of all post-confirmation litigation. To request the entry of a discharge upon the completion of plan payments, the debtor must file a motion to reopen for that purpose. The Court will waive any applicable reopening fee for such a motion. The motion should request the findings required by § 1141(d)(5)(C) and should be filed under Local Rule 9014-1 with notice to all parties in interest.

(Effective September 10, 2008)

Guideline 7 Procedure for Lien Strip of a Junior Mortgage in Chapter 13

This guideline applies to any Chapter 13 case in which a debtor proposes to strip a junior lien on real property under §§ 1322(b)(2) and 506(a) of the Code. If the lien strip is agreed upon by the debtor and the lien holder, the debtor and the lien holder may file a stipulation in the bankruptcy case and submit a proposed order accomplishing the lien strip. If the debtor does not have the agreement of the lien holder to the lien strip, the debtor must file an adversary proceeding contemporaneous with the debtor’s Chapter 13 plan. In such case, the plan must contain a provision informing the lien holder that an adversary proceeding to strip the lien has been filed under §§ 1322(b)(2) and 506(a) of the Code. A Chapter 13 debtor filing such adversary proceeding is exempt from payment of the adversary proceeding filing fee. Any lien strip default judgment entered in such adversary proceeding must include the following language:

IT IS ORDERED that upon completion of the debtor’s Chapter 13 plan and the entry of a Chapter 13 discharge order in bankruptcy case number _____, the mortgage (“Mortgage”) dated _____, covering the following described property (“Property”) situated in the City of _____, County of _____, State of _____, and further described as follows:

[legal description]

recorded in the _____ County Register of Deeds on _____, Liber _____, Page _____, will be stripped from the Property and discharged.

IT IS FURTHER ORDERED that upon completion of the debtor’s Chapter 13 plan and the entry of a Chapter 13 discharge order in bankruptcy case number _____, the debtor may record a certified copy of this order, with a copy of the debtor’s Chapter 13 discharge order attached, with the _____ County Register of Deeds, which will constitute and effectuate the discharge of the Mortgage.

IT IS FURTHER ORDERED that if the debtor fails to complete the debtor’s Chapter 13 plan and obtain a Chapter 13 discharge order in bankruptcy case number

_____, this order does not affect the validity or enforceability of the Mortgage and may not be used in any subsequent bankruptcy case of the debtor either to compel the holder of the Mortgage to execute a discharge of the Mortgage, or to otherwise act as a discharge of the Mortgage.

(Effective June 4, 2009)

Guideline 8 New Chapter 13 Model Plan

All Chapter 13 plans filed in the Eastern District of Michigan must be in the form and contain the content of the new model plan that is available on the Court's website, www.mieb.uscourts.gov, and on www.13edm.com. This Guideline applies only to Chapter 13 cases filed on or after January 1, 2013, and not to Chapter 13 cases filed before such date.
