Administrative Order Regarding
LBR 1015-1(f)

No. 08-11

LBR 1015-1(f) provides, “A proof of claim in jointly administered cases shall be filed in the case of the debtor against whom the claim is asserted rather than in the lead case.” The rule does not address in which case an objection to a proof of claim should be filed. To minimize confusion, the Court concludes that any objection to a proof of claim should also be filed in the case in which was filed the proof of claim that is the subject of the objection, rather than in the lead case.

It is so ordered. This order is effective upon entry.
