BANKRUPTCY COURT  
E.D. MICHIGAN-DETROIT

In re:

Debtor

City of Detroit, Michigan

Bankruptcy Case No. 13-53846

Honorable Thomas J. Tucker Chapter 9

**DEBTOR'S THIRTY-SIXTH OMNIBUS OBJECTION TO CERTAIN  
CLAIMS**

**OBJECTION OF CHERYL MINNIEFIELD TO THE ABOVE**

I opposed the city's objection to my claim #3292. I have sufficient documentation to support my claim that I am owed my vacation time and swing-holiday time in my bank, which I earned during my time at work for the City of Detroit. (See exhibit # 1 a print out of my time bank, PDS INQUIRY.) It shows I was paid my sick time in my bank that I earned but was denied my vacation and swing holiday time I earned in my bank. It shows 160 hrs. Vacation time and 32.0 hrs. Swing Holiday time still in my bank to date.

I filed a complaint with the city of Detroit Ombudsman's Office regarding my being denied my payout of my time in my bank. (See exhibit #2) the city's response to deny me was based on the unjust discharge (claim #3294).

Respectfully Submitted,

Dear Ms. Minniefield:

While investigating the circumstances surrounding your complaint This Office spoke with the Deputy Water Department Director Mr. Darryl Latimer on March 20, 2014.. The DWSD administration and its Director Ms. McCormic have stated the following, "The Water and Sewerage Department will not provide a vacation bank payout to a former employee that stole work hours from the Department. According to the administration, work hours were placed in the work brain system for employees that were not actually in attendance. The administration further states that a grievance was filed and the decision was upheld in arbitration.

In addition to the statement made by DSWD to our office, Mr. Latimer also states that on several occasions they have informed you of their decision and have explained how they reached that decision. Complaint # 14-100151 is considered closed.

If you have any additional questions or concerns, please contact me at 313-224-7140.
