## MOTION OF DEBTOR FOR ENTRY OF AN ORDER (A) DIRECTING AND APPROVING FORM OF NOTICE OF COMMENCEMENT OF CASE AND MANNER OF SERVICE AND PUBLICATION OF NOTICE AND (B) ESTABLISHING A DEADLINE FOR OBJECTIONS TO ELIGIBILITY AND A SCHEDULE FOR THEIR CONSIDERATION

The City of Detroit, Michigan (the "City") hereby moves the Court,

pursuant to sections 105, 921 and 923 of title 11 of the United States Code

(the "Bankruptcy Code"), Rules 2002, 9007 and 9008 of the Federal Rules of

Bankruptcy Procedure (the "Bankruptcy Rules") and Rule 9013-1 of the Local

Rules of the Bankruptcy Court for the Eastern District of Michigan (the "Local

<u>Rules</u>"), for the entry of an order:<sup>1</sup> (a) approving the proposed form of notice of

<sup>&</sup>lt;sup>1</sup> This Motion includes certain attachments that are labeled in accordance with Local Rule 9014-1(b)(1). Consistent with Local Rule 9014-1(b), a copy of the proposed form of order granting this Motion is attached hereto as <u>Exhibit 1</u>. A summary identifying each included attachment by exhibit number is appended to this Motion.

commencement of this case pursuant to section 923 of the Bankruptcy Code, a copy of which is attached hereto (the "<u>Notice of Commencement</u>"), and the manner of service and publication of the Notice of Commencement; and (b) setting a deadline for the filing of any motions, objections or other filings contesting the City's eligibility to obtain relief under chapter 9 of the Bankruptcy Code (any such filing, an "<u>Eligibility Objection</u>") and establishing a schedule for the Court's consideration of any Eligibility Objections. In support of this Motion, the City respectfully represents as follows:

#### **Background**

Incorporated in 1806, Detroit is the largest city in Michigan.
 As of December 2012, the City had a population of less than 685,000 (down from a peak population of nearly 2 million in 1950).

2. Over the past several decades, the City has experienced significant economic challenges that have negatively impacted employment, business conditions and quality of life. These challenges include, among other things, (a) a contraction of its historic manufacturing base, (b) a declining population, (c) high unemployment, (d) an erosion of the City's income and property tax bases, (e) a reduction in state revenue sharing and (f) a lack of adequate reinvestment in the City and its infrastructure.

3. As of June 30, 2013 — the end of the City's 2013 fiscal year — the City's liabilities exceeded \$18 billion (including, among other things, general obligation and special revenue bonds, unfunded actuarially accrued pension and other postemployment benefit liabilities, pension obligation certificate liabilities and related derivative liabilities). Excluding the proceeds of debt issuances, the City has incurred large and unsustainable operating deficits for each of the past six years. As of June 30, 2013, the City's accumulated unrestricted general fund deficit was approximately \$237.0 million. Excluding the impact of a recent debt issuance, this represents an increase of approximately \$47.4 million over fiscal year 2012.

4. On February 19, 2013, a review team appointed by Rick
Snyder, Governor of the State of Michigan (the "<u>Governor</u>"), pursuant to Public
Act 72 of 1990, the Local Government Fiscal Responsibility Act, MCL
§ 141.1201, <u>et seq.</u> ("<u>PA 72</u>"), issued its report with respect to the City and its
finances (the "<u>Review Team Report</u>"). The Review Team Report concluded that a
local government financial emergency exists within the City.

5. On March 14, 2013, in response to the Review Team Report and the declining financial condition of the City and at the request of the Governor, the Local Emergency Financial Assistance Loan Board of the State of Michigan appointed Kevyn D. Orr as emergency financial manager with respect to the City under PA 72, effective as of March 25, 2013.

6. On March 28, 2013, upon the effectiveness of Public Act 436 of 2012, the Local Financial Stability and Choice Act, MCL § 141.1541, et seq. ("PA 436"), Mr. Orr became, and continues to act as, emergency manager with respect to the City under PA 436 (in such capacity, the "Emergency Manager"). Pursuant to PA 436, the Emergency Manager acts "for and in the place and stead of the governing body and the office of chief administrative officer" of the City. MCL § 141.1549. In addition, the Emergency Manager acts exclusively on behalf of the City with respect to the filing of a case under chapter 9 of the Bankruptcy Code upon receiving authorization from the Governor. MCL § 141.1558.

7. On July 18, 2013, the Governor issued his written decision (the "<u>Authorization</u>") approving the Emergency Manager's recommendation that the City be authorized to proceed under chapter 9 of the Bankruptcy Code. Thereafter, also on July 18, 2013, the Emergency Manager issued an order approving the filing of the City's chapter 9 case consistent with the Authorization (the "<u>Approval Order</u>"). True and correct copies of the Approval Order and the Authorization are attached as Exhibit A to the Statement of Qualifications Pursuant to Section 109(c) of the Bankruptcy Code, filed contemporaneously with this Motion. 8. In accordance with the Authorization and the Approval Order, on July 18, 2013 (the "<u>Petition Date</u>"), the City commenced a case under chapter 9 of the Bankruptcy Code. Additional details regarding the City and the events leading to the commencement of this chapter 9 case are set forth in the Declaration of Kevyn D. Orr in Support of City of Detroit, Michigan's Statement of Qualifications Pursuant to Section 109(c) of the Bankruptcy Code (the "<u>Orr</u> <u>Declaration</u>"), filed contemporaneously with this Motion.

#### **Jurisdiction**

9. The Court has jurisdiction over this matter pursuant to
28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C.
§ 157(b)(2). Venue for this matter is proper in this district pursuant to 28 U.S.C.
§§ 1408 and 1409.

#### **Relief Requested**

The City requests that the Court enter an order, pursuant to sections 105(a), 923 and 924 of the Bankruptcy Code and Bankruptcy
 Rules 2002(m), 9007 and 9008: (a) approving the form and manner of service and publication of the Notice of Commencement; and (b) setting a deadline of 4:00 p.m., Eastern Time, on August 19, 2013 (the "Eligibility Objection Deadline"), a date that is 32 days after the Petition Date in this chapter 9 case, for

the filing of Eligibility Objections and establishing procedures for their consideration.

#### **Basis for Relief**

11. Section 923 of the Bankruptcy Code provides as follows:

There shall be given notice of the commencement of a case under this chapter, notice of an order for relief under this chapter, and notice of the dismissal of a case under this chapter. Such notice shall also be published at least once a week for three successive weeks in at least one newspaper of general circulation published within the district in which the case is commenced, and in such other newspaper having a general circulation among bond dealers and bondholders as the court designates.

11 U.S.C. § 923. The notice requirement of section 923 of the Bankruptcy Code is

intended to serve the requirements of due process. See 6 COLLIER ON

BANKRUPTCY ¶ 923.03 (Alan N. Resnick & Henry J. Sommer eds., 16th ed. rev.);

under all the circumstances, to apprise interested parties of the pendency of the

action and afford them an opportunity to present their objections.") (quoting

## The Proposed Form, Service and Publication of the Notice of Commencement Satisfies the Requirements of Section 923 of the Bankruptcy Code

12. Bankruptcy Rule 2002(m) provides that:

The court may from time to time enter orders designating the matters in respect to which, the entity to whom, and the form and manner in which notices shall be sent except as otherwise provided by these rules.

Fed. R. Bankr. P. 2002(m).

13. Bankruptcy Rule 9007 similarly provides that:

When notice is to be given under these rules, the court shall designate, if not otherwise specified herein, the time within which, the entities to whom, and the form and manner in which the notice shall be given. When feasible, the court may order any notices under these rules to be combined.

Fed. R. Bankr. P. 9007.

14. Pursuant to Bankruptcy Rules 2002(m) and 9007, the City

seeks the Court's approval of the proposed form of the Notice of Commencement.

In accordance with the requirements of section 923 of the Bankruptcy Code,

the City prepared the Notice of Commencement to advise parties of the

commencement of the City's chapter 9 case. The Notice of Commencement

provides due and proper notice of: (a) the commencement of the case;

(b) the opportunity for parties in interest to file Eligibility Objections;

(c) the automatic stay, as it applies in chapter 9 (the "<u>Chapter 9 Stay</u>");<sup>2</sup> and (d) the Emergency Manager's continued authority to act exclusively on behalf of the City pursuant to section 904 of the Bankruptcy Code.<sup>3</sup> The Notice of Commencement further provides that, if no Eligibility Objection is filed prior to the Eligibility Objection Deadline, or if the Court overrules all Eligibility Objections filed with respect to the City's petition, the Notice of Commencement will constitute notice of entry of the order for relief in this chapter 9 case.<sup>4</sup> The Notice of Commencement thus satisfies the requirements of section 923 for notice of commencement of this chapter 9 case and, if no Eligibility Objections are filed or all such objections are overruled, notice of the entry of an order for relief.

15. Contemporaneously with this Motion, the City has filed

(a) a motion seeking the appointment of Kurtzman Carson Consultants LLC as

<sup>&</sup>lt;sup>2</sup> Contemporaneously with the filing of this Motion, the City will file motions seeking discrete orders (a) confirming the application of the Chapter 9 Stay, among other Bankruptcy Code protections; and (b) extending the Chapter 9 Stay to certain other parties.

<sup>&</sup>lt;sup>3</sup> <u>See section 18(1) of PA 436 (the Emergency Manager acts exclusively in the City's behalf in any case under chapter 9).</u>

 <sup>&</sup>lt;u>See, e.g., In re City of Stockton, Cal.</u>, No. 12-32118 (Bankr. E.D. Cal. July 10, 2012) (order deeming notice of commencement to constitute notice of the order for relief if no objections are filed); In re Jefferson Cnty., Ala., No. 11-05736 (Bankr. N.D. Ala. Nov. 11, 2011) (order providing that the notice of commencement would constitute notice of the order for relief if no timely and proper objections were filed or all such objections were overruled). Copies of these unreported orders are attached hereto collectively as Exhibit 6.2.

claims, noticing and balloting agent in this chapter 9 case (the "<u>Proposed Noticing</u> <u>Agent</u>") and (b) a list of potential creditors pursuant to section 924 of the Bankruptcy Code (the "<u>Creditor List</u>"). The City proposes that, pursuant to Bankruptcy Rules 2002(m) and 9007, the Court direct the Proposed Noticing Agent to mail a copy of the Notice of Commencement to each party identified on the Creditor List within three business days after the entry of an order approving this Motion.

16. The City also proposes to publish the Notice of

Commencement, consistent with the requirements of section 923 of the Bankruptcy Code. Bankruptcy Rule 9008 provides that:

> Whenever these rules require or authorize service or notice by publication, the court shall, to the extent not otherwise specified in these rules, determine the form and manner thereof, including the newspaper or other medium to be used and the number of publications.

Fed. R. Bankr. P. 9008.

17. The City proposes to publish the Notice of Commencement once a week for three consecutive weeks in the *Detroit Free Press*, which is a "newspaper of general circulation published within the district in which the case is commenced." 11 U.S.C. § 923. The first such publication would occur within five business days after the entry of an order approving this Motion, or as soon thereafter as is practicable. Publication in the *Detroit Free Press* will provide reasonable notice of the case to residents of the City and its surrounding communities.

18. The City also proposes to publish the Notice of Commencement once a week for three consecutive weeks in *The Bond Buyer*, which is a "newspaper having a general circulation among bond dealers and bondholders."
<u>Id.</u> The first such publication would occur within five business days after the entry of an order approving this Motion, or as soon thereafter as is practicable.
Publication in *The Bond Buyer* will provide reasonable notice to holders and dealers of the bonds issued by the City that may be affected by the City's chapter 9 case. In addition, the City intends to post the Notice of Commencement on the Electronic Municipal Market Access database at <u>www.emma.msrb.com</u>, which will provide further notice to bondholders.

19. Based on the foregoing, the City submits that publication and mailing of the Notice of Commencement in the manner described above is appropriate to serve the purposes of section 923 of the Bankruptcy Code and will provide sufficient notice to all parties in interest of the City's chapter 9 case.

### The Fixing of the Eligibility Objection Deadline is in the Best Interests of the City and its Creditors and All Other Parties in Interest

20. Section 921 of the Bankruptcy Code provides in part as follows:

- (c) After any objection to the petition, the court, after notice and a hearing, may dismiss the petition if the debtor did not file the petition in good faith or if the petition does not meet the requirements of this title.
- (d) If the petition is not dismissed under subsection (c) of this section, the court shall order relief under this chapter notwithstanding section 301(b).

11 U.S.C. § 921.

21. Section 921 of the Bankruptcy Code thus contemplates the

possibility of Eligibility Objections but does not fix any deadline for the filing of such objections. The City therefore requests that the Court exercise its equitable power under section 105(a) of the Bankruptcy Code to establish the Eligibility Objection Deadline.<sup>5</sup>

22. The establishment of the Eligibility Objection Deadline is in the best interests of the City, its creditors and all other parties in interest. As set forth in the Orr Declaration, the City commenced this chapter 9 case because it had no reasonable alternative to rectify its financial emergency. The City believes that it is important to complete the chapter 9 process as promptly as possible by confirming a chapter 9 plan of adjustment that returns the City to a path for

<sup>&</sup>lt;sup>5</sup> Section 105(a) of the Bankruptcy Code provides in relevant part that "[t]he court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." 11 U.S.C. § 105(a).

sustainable financial health and revitalization. The City therefore plans to move forward with its chapter 9 restructuring immediately.<sup>6</sup>

23. The City's restructuring plans would be jeopardized and potentially delayed if it were forced to address eligibility objections piecemeal over an undefined period of time. Such a process also would be highly inefficient for the Court. It is appropriate, therefore, for the Court to establish the Eligibility Objection Deadline to allow any issues relating to the City's entitlement to relief under chapter 9 to be identified and resolved at the outset of this case. This will permit the City to move forward expeditiously to complete its chapter 9 case without unnecessary and continued disruptions.

24. Accordingly, pursuant to section 105(a) of the Bankruptcy
Code, the City requests that the Court set an Eligibility Objection Deadline of
4:00 p.m., Eastern Time, on August 19, 2013, a date that is 32 days after the
Petition Date to (a) promote the efficient administration of the City's case,
(b) eliminate any uncertainty created by the absence of express timing provisions
in section 921(d) of the Bankruptcy Code and (c) expedite the Court's

<sup>&</sup>lt;sup>6</sup> Indeed, given that after 18 months of service the Emergency Manager can be removed from his position by a two-thirds vote of the City Council approved by the Mayor under PA 436, the City's goal is to implement a plan of adjustment and conclude this case no later than September 2014. <u>See</u> Orr Declaration, at ¶ 4.

consideration of any Eligibility Objections and the entry of an order for relief in this case.

25. This deadline provides adequate time for any creditors or other parties in interest to evaluate eligibility issues and, if desired, file an objection to the City's eligibility for chapter 9 relief. The City will serve the Notice of Commencement (which will identify the Eligibility Objection Deadline) within three business days after the entry of an order approving this Motion, and will publish the Notice of Commencement as described herein, consistent with section 923 of the Bankruptcy Code. Given the high-profile nature of this filing, the City expects that most creditors will be aware of the chapter 9 filing before they even receive the Notice of Commencement. Creditors thus will have most of a month to determine if they wish to raise an Eligibility Objection.

26. In addition, the City has provided its arguments and support for its eligibility, which are available for creditors to review. Contemporaneously with the filing of its petition for relief and this Motion and in support of its eligibility to be a chapter 9 debtor, the City has filed its Statement of Qualifications Pursuant to Section 109(c) of the Bankruptcy Code, an accompanying Memorandum of Law, the Orr Declaration, a declaration of Gaurav Malhotra and a declaration of Charles M. Moore, among other things. All of these documents are available free of charge at the City's restructuring website at www.kccllc.net/Detroit, which will be identified in the Notice of Commencement. Accordingly, parties wishing to contest the City's eligibility for chapter 9 relief should have sufficient time to assert their objections within 32 days from the commencement of this case.

27. The City requests that the Court require that any Eligibility Objections: (a) be in writing and filed with the Court by the Eligibility Objection Deadline and served on the City and its counsel so as to be received by the Eligibility Objection Deadline; (b) state with specificity the facts and legal authorities in support of such objections and otherwise comply with the Bankruptcy Code, the Bankruptcy Rules and the Local Rules of this Court; and (c) be advocated in person at any and all hearings on such objections. Further, the City requests that if no Eligibility Objections are timely and properly filed, the Court shall promptly enter the order for relief in the City's case pursuant to section 921(d) of the Bankruptcy Code.

# The Establishment of Procedures for the Consideration of Eligibility Objections is Necessary and Appropriate

28. If any Eligibility Objections are timely and properly filed, a hearing on such objections must be held pursuant to section 921(c) of the Bankruptcy Code. In that event, the City proposes that the Court set the following schedule to adjudicate the Eligibility Objections:

(a) August 26, 2013 (the "<u>Discovery Request Deadline</u>") as the deadline for the City and any party that files a timely and proper Eligibility

Objection to serve written discovery requests (<u>i.e.</u>, seven days after the Eligibility Objection Deadline);

- (b) September 25, 2013 (the "<u>Written Discovery Deadline</u>") as the deadline for compliance with written discovery requests (<u>i.e.</u>, 30 days after the Discovery Request Deadline);
- (c) October 7, 2013 as the deadline to complete non-expert depositions (<u>i.e.</u>, 12 days after the Written Discovery Deadline);
- (d) October 7, 2013 (the "<u>Expert Designation Deadline</u>") as the deadline to designate expert witnesses and submit expert reports (<u>i.e.</u>, 12 days after the Written Discovery Deadline);
- (e) October 17, 2013 (the "<u>Expert Counter-Designation Deadline</u>") as the deadline for the counter-designation of experts and submission of reports (<u>i.e.</u>, ten days after the Expert Designation Deadline);
- (f) October 22, 2013 (the "<u>Close of Discovery</u>") as the deadline for the completion of expert depositions (<u>i.e.</u>, five days after the Expert Counter-Designation Deadline);
- (g) October 29, 2013 as the deadline to submit factual stipulations and exchange witness lists (<u>i.e.</u>, seven days after the Close of Discovery); and
- (h) November 4, 2013 as the deadline for the filing of any pre-trial briefs (<u>i.e.</u>, 13 days after the Close of Discovery).

The City further proposes that, following the filing of pre-trial briefs, the Court

schedule a pre-trial conference and hearing on the Eligibility Objections

(an "Eligibility Hearing") as soon as the Court's schedule will permit.

## **Reservation of Rights**

29. The City files this Motion without prejudice to or waiver of its

rights pursuant to section 904 of the Bankruptcy Code, and nothing herein is

intended to, shall constitute or shall be deemed to constitute the City's consent,

pursuant to section 904 of the Bankruptcy Code, to this Court's interference with (a) any of the political or governmental powers of the City, (b) any of the property or revenues of the City or (c) the City's use or enjoyment of any income-producing property.

#### <u>Notice</u>

30. Notice of this Motion has been given to the following (or their counsel if known): (a) the trustees, transfer agents and/or paying agents, as applicable, for the City's secured and unsecured bonds; (b) the City's largest unsecured creditors as identified on the list filed under Bankruptcy Rule 1007(d); (c) the unions representing certain of the City's employees and retirees; (d) the four associations of which the City is aware representing certain retirees of the City; (e) the City's pension trusts; (f) the insurers of the City's bonds; (g) the insurers of the certificates of participation issued with respect to the City's pension funds (the "COPs"); (h) certain significant holders of the COPs; (i) the counterparties under the swap contracts entered into in connection with the COPs (collectively, the "Swaps"); and (j) the insurers of the Swaps. In addition, a copy of the Motion was served on the Office of the United States Trustee. The City submits that no other or further notice need be provided.

## **No Prior Request**

31. No prior request for the relief sought in this Motion has been made to this or any other Court.

WHEREFORE, the City respectfully requests that this Court: (a) enter an order substantially in the form attached hereto as <u>Exhibit 1</u> granting the relief sought herein; and (b) grant such other and further relief to the City as the Court may deem proper. Respectfully submitted,

The Chapter 9 case is pending before the Honorable Thomas B. Bennett, United States Bankruptcy Judge. All documents filed with the Court are available for inspection via the PACER system, which may be accessed on a subscription basis at the following internet address: <u>www.alnb.uscourts.gov</u>. The County is in the process of adding a link to its website <u>www.jeffcoonline.jccal.com</u> through which key pleadings, orders, notices, lists, and other documents regarding the County's Chapter 9 case and related proceedings before the Bankruptcy Court in this case will be made available.

AUTOMATIC STAY. Pursuant to Sections 362 and 922 of the Bankruptcy Code, 11 U.S.C. §§ 101-1532, the filing of the County's Chapter 9 petition operates as an automatic stay of actions against the County, including, among other things, the commencement or continuation of any judicial, administrative, or other action against the County or against an officer or inhabitant of the County that seeks to enforce a claim against the County, any act to obtain property of or from the County, any act to create, perfect, or enforce any lien against property of the County, and any act to collect, assess, or recover a claim against the County that arose before the commencement of the County's bankruptcy case.

**PURPOSE OF THE CHAPTER 9 FILING.** Chapter 9 of the Bankruptcy Code provides a means for a municipality, such as the County, that has encountered financial difficulty to work with its creditors to adjust its debts. The primary purpose of Chapter 9 is to allow the municipality to continue its operations and its provision of services while it adjusts or restructures creditor obligations. In a Chapter 9 case, the jurisdiction and powers of the bankruptcy court are limited such that the court may not interfere with any of the political or governmental powers of the County, or the County's use or enjoyment of any income-producing property. The County intends to propose a plan for the adjustment of its debts. Future notice concerning any such plan will be provided to all known creditors. During the bankruptcy case, the County will remain in possession and control of its property, and will maintain its operations for the benefit of the public.

#### **DEADLINES FOR OBJECTIONS TO PETITION AND NOTICE OF ORDER**

**FOR RELIEF.** Any objections to the County's Chapter 9 petition must be filed with the Clerk of the United States Bankruptcy Court for the Northern District of Alabama, Southern Division, by no later than December 9, 2011 at 5:00 p.m., Central time (the "Objection Deadline"). Any such objection (i) shall state the basis of the objection and, with respect to any objection asserted under 11 U.S.C. § 109(c)(5) or 11 U.S.C. § 921(c), shall state with specificity the facts and legal

authorities in support of the objection; (ii) shall comply with the Federal Rules of Bankruptcy Procedure and the Local Rules of this Court, and (iii) shall be served on the attorneys for the County by mailing a copy of the same to: (a) Bradley Arant Boult Cummings LLP, Attention: Patrick Darby, 1819 Fifth Avenue North, Birmingham, Alabama 35203, and (b) Klee, Tuchin, Bogdanoff & Stern LLP, Attention: Kenneth Klee, 1999 Avenue of the Stars, Thirty-Ninth Floor, Los Angeles, California 90067-5061. If any objections to the County's petition are filed with the Clerk of Court on or before the Objection Deadline in accordance with this Order, the Court shall hold a final, evidentiary hearing on such objections on December 15-16, 2011, beginning at 8:00 a.m. Central time each day, in Courtroom number 1, located at 505 20th Street North, 4th Floor, Birmingham, Alabama 35203. Objections must be advocated in person at all hearings on the objections, or they automatically shall be deemed overruled. If no objection is timely and properly filed, or if the Court overrules any and all objections that are timely and properly filed, then the filing of the petition shall be deemed an order for relief under Chapter 9 of the Bankruptcy Code, and this notice shall be deemed notice of such order for relief. Failure to file a timely and proper objection will result in the order for relief being entered.

MOTION TO LIMIT NOTICE. By separate motion, the County has requested the Bankruptcy Court to enter an order limiting notice of filings in the County's bankruptcy case to certain creditors and interested parties. Any other creditor or party in interest that wishes to receive notice in this Chapter 9 case should file with the Clerk of Court a notice of appearance and request for service of papers in accordance with Bankruptcy Rules 2002 and 9010(b). The request shall include the following: (a) the party's name and address; (b) the name of the client, if applicable; (c) an e-mail address at which the requesting party may be served; (d) an address by which the requesting party may be served by U.S. mail, hand delivery and overnight delivery;

(e) the party's relationship to the County's case, i.e., trade creditor, warrant holder, interested party; and (f) a facsimile number for the requesting party, if available. Notwithstanding Bankruptcy Rules 2002 and 9019(b), no request for service filed in this Chapter 9 case shall have any effect unless the foregoing requirements are satisfied. Any individual or entity filing a notice of appearance pursuant to Bankruptcy Rule 2002 that does not maintain and cannot practicably obtain an e-mail address must include in its notice of appearance a certification stating the same. Notice will be provided to that individual or entity by U.S. mail, overnight delivery, hand delivery or facsimile, with the choice of the mode of service to be made by the County in the County's sole discretion.
