**Administrative Order Regarding
Amendment to LBR 9014-1(f)**

To clarify that a motion to reopen for the purpose of filing Official Form 23 can be filed *ex parte* and that LBR 9014-1 (E.D.Mi.) does not apply to such a motion, it is hereby ordered that effective in cases filed on or after October 17, 2005, LBR 9014-1(f) is amended to add:

(13) a motion to reopen for the purpose of filing Official Form 23, “Debtor’s Certification of Completion of Instructional Course Concerning Financial Management,” which may be filed *ex parte*.
