

UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN

IN RE:

ADMINISTRATIVE ORDER
PERTAINING TO MULTI-PART MOTIONS

No. 06-18

**ORDER ABROGATING ELECTRONIC CASE FILING ADMINISTRATIVE
PROCEDURE 6(b) AND ALLOWING THE FILING OF MULTI-PART MOTIONS**

ECF Administrative Procedure 6(b) specifies that a motion may only request one type of relief. With the new capabilities of version 3.0 of the Electronic Case Filing system, motions requesting more than one type of relief can be accepted for filing.

Accordingly, it is ordered that ECF Administrative Procedure 6(b) is abrogated and the Court will accept the filing of multi-part motions.

It is further ordered that ECF Administrative Procedure 7 is amended to add subpart (j) as follows:

(j) Orders Resolving Multi-Part Motions. A Proposed Order resolving a motion requesting more than one type of relief must specify a disposition for each such request. Any request for relief not addressed in the Proposed Order shall be deemed denied without prejudice.

This order is effective immediately.
