

UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF MICHIGAN

In re:

ADMINISTRATIVE ORDER  
REGARDING CLOSING THE COURT  
ON MONDAY, JULY 3, 2006

No. 06-12

\_\_\_\_\_ /

On Saturday, July 1, 2006, beginning at 6:00 A.M., the court will begin the process of converting its server platform from Solaris to Linux. This server supports the court's electronic database, CM/ECF. To ensure a successful conversion, the United States Bankruptcy Court and Clerk's Office in all three court locations will be closed and inaccessible on Monday, July 3, 2006. The CM/ECF system will be unavailable to internal and external users from Saturday, July 1, 2006, beginning at 6:00 A.M., through 11:59 P.M. Monday, July 3, 2006.

F.R. Bank. P. 9006(a) allows for the extension of time to file a pleading or paper when weather or other conditions have made the Clerk's Office inaccessible. Since the Clerk's Office in all three court locations will be closed and the CM/ECF system will be unavailable to all users from July 1, 2006, through July 3, 2006, the time to file a pleading or paper will be extended. NOW THEREFORE,

IT IS ORDERED that the Court and Clerk's Offices be closed on Monday, July 3, 2006.

IT IS FURTHER ORDERED that in the event July 3, 2006, was the last day of a designated period of time to file a pleading or other paper, the time to timely file such pleading or other paper is extended to July 5, 2006, in accordance with Bankruptcy Rule 9006(a).
