

**UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN**

**NOTICE REGARDING PAYMENT OF FEES BY PARTIES
NOT REPRESENTED BY AN ATTORNEY**

On March 25, 2020, the Court issued a notice announcing the temporary closure of the U.S. Bankruptcy Court location at 211 W. Fort Street in Detroit. The closure of the Detroit courthouse has eliminated the ability of the court to receive payments through the mail, or through the use of a drop box at the Detroit location.

The **timely payment of fees** is important in a bankruptcy case. Non-payment of fees could result in the dismissal of a case, or a delay in discharge. While the pandemic crisis has reduced ways in which unrepresented parties can pay a court fee, many options for payment remain.

Methods of payment of court fees during the pandemic crisis:

1. Mail Option: Mail a cashier's check or money order directly to the Flint office at the following address:

**U. S. Bankruptcy Court
226 West Second Street
Flint, MI 48502**

2. In-Person Option: Take a cashier's check or money order to the Flint office at the address above and place the cashier's check or money order in the drop box provided.
