

**UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN**

**NOTICE REGARDING BANKRUPTCY NOTICING CENTER (BNC)
NOTICES DELIVERY TO CANADA**

On September 26, 2025, Canada Post announced a shutdown due to national labor actions between Canada Post and the Canadian Union of Postal Workers. Since this time and through October 1, 2025, Bankruptcy Noticing Center (BNC) notices for delivery to Canada have been held at the Canada/United States border and will not be delivered to intended recipients until after the postal strike has concluded.

As of October 2, 2025, the BNC contractor began bypassing notices containing the word Canada in the last line of the address. As part of the bypass process, the BNC notifies the debtor's attorney of mail that is bypassed as undeliverable. Bypassed addresses are indicated as such on the BNC Certificate of Notice.

Please visit the Bankruptcy Noticing Center's site for more information and updates at <https://bnc.uscourts.gov/>
