EASTERN DISTRICT OF MICHIGAN**

**NOTICE OF ADMINISTRATIVE ORDER 16-04
REGARDING THE BANKRUPTCY COURT'S PUBLISHED GUIDELINES**

PLEASE TAKE NOTICE that Administrative Order 16-04 states that the Bankruptcy Court for the Eastern District of Michigan has adopted revised Guidelines.

The Court conducted a review of its Guidelines in response to the adoption of the revised Local Bankruptcy Rules and ECF Administrative Procedures that went into effect on February 1, 2016 and determined that some of the Guidelines are now obsolete, others required changes, and some should remain as written. Please note that the Guidelines have been renumbered.

The Office of the Clerk has posted Administrative Order 16-04 to the Court's website (www.mieb.uscourts.gov) with a link to the revised Guidelines that contains both a clean copy of the revised Guidelines and a redlined version to reflect the changes from the Guidelines previously in effect.

Date: February 16, 2016
