

**UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN**

NOTICE REGARDING NOTICE OF WRITS OF GARNISHMENT

PLEASE TAKE NOTICE that when a writ of garnishment is issued post-judgment, the Court will no longer issue a notice of electronic filing of the issuance of the writ to the judgment debtor. Federal Rule of Bankruptcy Procedure 7069(a)(1) provides that the procedure for proceedings supplementary to a judgment must accord with the procedure of the state where the court is located. Because the Michigan Court Rules do not provide for Michigan courts to issue a notice to a judgment debtor when a writ of garnishment is filed in such courts, the Bankruptcy Court for the Eastern District of Michigan will no longer issue an electronic notice to the judgment debtor of the filing of a writ of garnishment.
