

**UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN**

**NOTICE REGARDING ONLINE TRAINING FOR
ATTORNEYS APPLYING FOR
A NEXTGEN CM/ECF LOGIN TO PRACTICE**

The United States Bankruptcy Court Eastern District of Michigan has changed its training requirement and application process for attorneys to obtain a NextGen CM/ECF login to practice. Debtor and creditor attorney training video modules are now available on the court's website to download or stream on demand. Each video module includes information relevant to practice in the court as well as NextGen CM/ECF demonstrations of filings relevant to debtor and creditor attorneys including instruction on specific local rules and filing procedures.

Viewing the video training modules is required for attorneys who have not been trained in another bankruptcy court in order to apply for a login. Attorneys must sign a Terms of Agreement verification of that viewing prior to applying to practice in the United States Bankruptcy Court Eastern District of Michigan through Public Access To Court Electronic Records (PACER).

To review the videos and the application process, please visit the NextGen CM/ECF Attorney and Registration page on the court website at <http://www.mieb.uscourts.gov/ecf-training-and-registration>.

Date: November 14, 2022

Todd M. Stickle
