UNITED STATES BANKRUPTCY COURT

EASTERN DISTRICT OF MICHIGAN

UPDATE REGARDING BNC SERVICE DISRUPTION AND ACCESSING LIST OF CREDITORS IN CM/ECF

As described in the October 13th e-blast, the Bankruptcy Noticing Center (BNC) is experiencing a national disruption. During this disruption, the Court will continue to accept filings, open cases, and process documents according to standard procedures. **However, there may be a delay in the entry and service of notices and orders from the Court as well as the service of 341 Notices until this matter is resolved**.

The BNC disruption is also affecting CM/ECF users' access to the mailing matrix. Until resolved, CM/ECF users seeking to serve pleadings and delegated notices/orders may access the list of creditors and addresses within a case through the following process:

Accessing the List of Creditors:

1. Select **Query** from the top menu in CM/ECF.
2. Enter the case number and select **Run Query**.
3. Select the **Creditor** link.
4. Leave the **Creditor Type** field blank and select **Run Query** to display all creditors.
5. Review the resulting list of creditors and addresses for service purposes.

Please note that the list of creditors does not include all interested parties to a case, such as the debtor(s), trustees, or the U.S. Trustee. Therefore, parties and counsel should review service requirements to ensure that notice is provided to all appropriate parties, including those not listed on CM/ECF's list of creditors.
